SECTION 3-05-002-0200 DETERMINATION OF GROSS INCOME; IN GENERAL:

(a) Gross income includes:

- (1) The value proceeding or accruing from the sale of property, the providing of service, or both.
- (2) The total amount of the sale, lease, license for use, or rental price at the time of such sale, rental, lease, or license.
- (3) All receipts, cash, credits, barter, exchange, reduction of/or forgiveness of indebtedness, and property of every kind or nature derived from a sale, lease, license for use, rental, or other taxable activity.
- (4) All other receipts whether payment is advanced prior to, contemporaneous with, or deferred in whole or in part subsequent to the activity or transaction.

(b) Barter, exchange, trade-outs, or similar transactions are includable in gross income at the fair market value of the service rendered or property transferred, whichever is higher, as they represent consideration given for consideration received.

(c) No deduction or exclusion is allowed from gross income on account of the cost of the property sold, the time value of money, expense of any kind or nature, losses, materials used, labor or service performed, interest paid, or credits granted.

SECTION 3-05-002-0210 DETERMINATION OF GROSS INCOME; TRANSACTIONS BETWEEN AFFILIATED COMPANIES OR PERSONS:

In transactions between affiliated companies or persons, or in other circumstances where the relationship between the parties is such that the gross income from the transaction is not indicative of the market value of the subject matter of the transaction, the Tax Collector shall determine the "market value" upon which the City privilege and use taxes shall be levied. "Market value" shall correspond as nearly as possible to the gross income from similar transactions of like quality or character by other taxpayers where no common interest exists between the parties, but otherwise under similar circumstances and conditions.

SECTION 3-05-002-0220 DETERMINATION OF GROSS INCOME; ARTIFICIALLY CONTRIVED TRANSACTIONS:

The Tax Collector may examine any transaction, reported or unreported, if, in his opinion, there has been or may be an evasion of the taxes imposed by this Chapter and to estimate the amount subject to tax in cases where such evasion has occurred. The Tax Collector shall disregard any transaction which has been undertaken in an artificial manner in order to evade the taxes imposed by this Chapter.

SECTION 3-05-002-0230 DETERMINATION OF GROSS INCOME BASED UPON METHOD OF REPORTING:

The method of reporting chosen by a taxpayer, as provided in Section 3-05-005-0520, necessitates the following adjustments to gross income for all purposes under this Chapter:

- (a) Cash Basis: When a person elects to report and pay taxes on a cash basis, gross income for the reporting period shall include:
 - (1) The total amounts received on "paid in full" transactions, against which are allowed all applicable deductions and exclusions; and
 - (2) All amounts received on accounts receivable, conditional sales contract, or other similar transactions, against which no deductions and no exclusions from gross income are allowed. Interest on finance contracts may be deducted if separately itemized on all books and records.
- (b) Accrual Basis: When a person elects to report and pay taxes on an accrual basis, gross income shall include all gross income for the applicable period regardless of whether receipts are for cash, credit, conditional, or partially deferred transactions, and regardless of whether or not any security document or instrument is sold, assigned, or otherwise transferred to another. Persons reporting on the accrual basis may deduct bad debts, provided that:
 - (1) The amount deducted for the bad debt must be deducted from gross income of the month in which the actual charge-off was made, and only to the extent that such amount was actually charged off, and also only to the extent that such amount is or was included as taxable gross income; and

- (2) If any amount is subsequently collected on such charged-off account, it shall be included in gross income for the month in which it was collected, without deduction for expense of collection. (Ord. 1924, 01/07/97)

SECTION 3-05-002-0240 EXCLUSION OF CASH DISCOUNTS, RETURNS, REFUNDS, TRADE-IN VALUES, VENDOR-ISSUED COUPONS, AND REBATES FROM GROSS INCOME:

- (a) The following items are not included in gross income:
 - (1) Cash discounts allowed by the vendor for timely payment, but only discounts allowed against taxable gross income.
 - (2) The value of property returned by customers to the extent of the amount actually refunded either in cash or by credit and the amount refunded was included in taxable gross income.
 - (3) The trade-in allowance for tangible personal property accepted as payment, not to exceed the full sales price for any tangible personal property sold, when the full sales price is included in taxable gross income. Trade-in allowances are not allowed for manufactured buildings taxable under Section 3-05-004-0427.
 - (4) When coupons issued by a vendor are later accepted by the vendor as a discount against the transaction, the discount may be excluded from gross income as a cash discount. Amounts credited or refunded by a vendor for redemption of coupons issued by any person other than the vendor may not be excluded from gross income.
 - (5) Rebates issued by the vendor to a customer as a discount against the transaction may be excluded from gross income as cash discount. Rebates issued by a person other than the vendor may not be excluded from gross income, even when the vendee assigns his right to the rebate to the vendor.
 - (6) In computing the tax base, gross proceeds of sales or gross income does not include a manufacturer's cash rebate on the sales price of a motor vehicle if the buyer assigns the buyer's right in the rebate to the retailer.
- (b) If the amount specified in subsection A. above is credited by a vendor subsequent to the reporting period in which the original transaction occurs, such amount may be excluded from the taxable gross income of that subsequent reporting period, but only to the extent that the excludable amount was reported as taxable gross income in that prior reporting period. (Ord. 1924, 01/07/97)

SECTION 3-05-002-0250 EXCLUSION OF COMBINED TAXES FROM GROSS INCOME; ITEMIZATION, NOTICE, LIMITATIONS:

- A. When Tax is Separately Charged and/or Collected: The total amount of gross income shall be exclusive of combined taxes only when the person upon whom the tax is imposed shall establish to the satisfaction of the Tax Collector that such tax has been added to the total price of the

transaction. The taxpayer must provide to his customer and also keep a reliable record of the actual tax charged or collected, shown by cash register tapes, sales tickets, or other accurate record, separating net transaction price and combined tax. If at any time the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts billed or collected on account of combined taxes, the claimed taxes collected may not be excluded from gross income, unless such records are completed and/or clarified to the satisfaction of the Tax Collector.

1. Remittance of all tax charged and/or collected. When an added charge is made to cover City (or combined) privilege and use taxes, the person upon whom the tax is imposed shall pay the full amount of the City taxes due, whether collected by him or not, and in the event he collects more than the amount due he shall remit the excess to the Tax Collector. In the event the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts of taxes collected by him, and the Tax Collector is satisfied that the taxpayer has collected taxes in an amount in excess of the tax assessed under this Chapter, the Tax Collector may determine the amount collected and collect the tax so determined in the manner provided in this Chapter.
 2. Itemization. A taxpayer, in order to be entitled to exclude from his gross income any amounts paid to him by customers for combined taxes passed on to the customer, must prove that he has provided his customer with a written record of the transaction showing at a minimum the price before the tax, the combined taxes, and the total cost. This shall be additional to the record required to be kept under subsection (A) above.
- B. When Tax Has Been Neither Separately Charged Nor Separately Collected: When the person upon whom the tax is imposed shall establish by means of invoices, sales tickets, or other reliable evidence, that no added charge was made to cover combined taxes, the taxpayer may exclude tax collected from such income by dividing such taxable gross income by one (1.00) plus a decimal figure representing the effective combined tax rate expressed as a fraction of one (1.00).

**SECTION 3-05-002-0260 EXCLUSION OF FEES AND TAXES FROM GROSS INCOME;

For the purpose of the exclusion provided by this subsection only, the terms vendor and vendee shall also apply to a lessor and lessee respectively, of a motor vehicle if, in addition to all other requirements of this subsection, the lease agreement specifically requires the lessee to pay such fees or taxes, and such amounts are separately itemized in the documentation provided to the lessee.

- (b) Exclusion of certain sales of natural gas to a public utility. Notwithstanding the provisions of subsection (a) above, the gross income derived from the sale of natural gas to a public utility for the purpose of generation of power to be transferred by the utility to its ratepayers shall be considered a retail sale of tangible personal property subject to Sections 3-5-460 and 3-5-465, and not considered gross income taxable under this Section.
- (c) Resale utility services. Sales of utility services to another provider of the same utility services for the purpose of providing such utility services either to another properly licensed utility provider or directly to such purchaser's customers or ratepayers shall be exempt and deductible from the gross income subject to the tax imposed by this Section, provided that the purchaser is properly licensed by all applicable taxing jurisdictions to engage or continue in the business of providing utility services, and further provided that the seller maintains proper documentation, in a manner similar to that for sales for resale, of such transactions.

or across the land of an actual utility consumer if the property and equipment become the property of the utility. This exclusion shall not exceed the value of such property and equipment.

- (h) The tax imposed by this Section shall not apply to sales of alternative fuel as defined in A.R.S. § 1-215, to a used oil fuel burner who has received a Department of Environmental Quality permit to burn used oil or used oil fuel under A.R.S. § 49-426 or § 49-480.

- C. Except as provided in this Section, no rule or regulation shall be adopted until approved by formal action of the City Council.
- D. Reserved (Ord. 1924, 01/07/97)

**SECTION 3-05-005-0510 DIVULGING OF INFORMATION PROHIBITED; EXCEPTIONS
ALLOWING DISCLOSURE:**

- A. Except as specifically provided, it shall be unlawful for any official or employee of the City to make known information obtained pursuant to this Chapter concerning the business financial affairs or operations of any person.
- B. The City Council may authorize an examination of any return or audit of a specific taxpayer made pursuant to this Chapter by authorized agents of the Federal government, the State of Arizona, or any political subdivisions.
- C. The Tax Collector may provide to an Arizona county, city, or town any information concerning any taxes imposed in this Chapter relative to the taxing ordinances of that county, city, or town.
- D. Successors, receivers, trustees, personal representatives, executors, guardians, administrators, and assignees, if directly interested, may be given information by the Tax Collector as to the items included in the measure and amounts of any unpaid tax, interest, and penalties required to be paid.
- E. Upon a written direction by the City Attorney or other legal advisor to the City designated by the City Council, officials or employees of the City may divulge the amount and source of income, profits, leases, or expenditures disclosed in any return or report, and the amount of such delinquent and unpaid tax, penalty, or interest, to a private collection agency having a written collection agreement with the City.
- F. The Tax Collector may provide information to appropriate representatives of any Arizona city or town to comply with the provisions of Arizona Revised Statutes Section 42-1452 relating to the assessment and collection of intermunicipal taxes.
- G. The Tax Collector may provide information to authorized agents of any other Arizona governmental agency involving the allocation of taxes imposed by Section 3-05-004-0435 upon publishing and distribution of periodicals.
- H. The Tax Collector may provide information regarding the enforcement and collection of taxes imposed by this Chapter to any governmental agency with which the City has an agreement.

SECTION 3-05-005-0515 DUTIES OF THE TAXPAYER PROBLEM RESOLUTION OFFICER:

- A. The Taxpayer Problem Resolution Officer shall assist taxpayers in:
 - 1. Obtaining easily understandable tax information and information on audits, corrections and appeals procedures of the City.
 - 2. Answering questions regarding preparing and filing the returns required under this Chapter.
 - 3. Locating documents filed with or payments submitted to the Tax Collector by the taxpayer.

B. The Taxpayer Problem Resolution Officer shall also:

1. Receive and evaluate complaints of improper, abusive or inefficient service by the Tax Collector or any of his designees, employees, or agents and recommend to the City Manager or, for a city without a city manager, the chief administrative officer appropriate action to correct such service.
2. Identify policies and practices of the Tax Collector or any of his designees, employees, or agents that might be barriers to the equitable treatment of taxpayers and recommend alternatives to the City Manager or, for a city without a city manager, the chief administrative officer.
3. Provide expeditious service to taxpayers whose problems are not resolved through normal channels.
4. Negotiate with the Tax Collector, his designees, employees, or agents to resolve the most complex and sensitive taxpayer problems.
5. Take action to stop or prohibit the tax collector from taking an action against a taxpayer.
6. Participate and present taxpayers' interests and concerns in meetings formulating the City's policies and procedures under and interpretation of this Chapter.
7. Compile data each year on the number and type of taxpayer complaints and evaluate the actions taken to resolve those complaints.
8. Survey taxpayers each year to obtain their evaluation of the quality of service provided by the Tax Collector, his designees, employees, and agents.
9. Perform other functions which relate to taxpayer assistance as prescribed by the City Manager or, for a city without a city manager, the chief administrative officer.

C. Actions taken by the Taxpayer Problem Resolution Officer may be reviewed and/or modified only by the City Manager or, for a city without a city manager, the chief administrative officer upon request of the Tax Collector or a taxpayer.

D. The Mayor and Council of the City shall be provided with a report quarterly which identifies:

1. Any complaints of improper, abusive or inefficient service received by the Taxpayer Problem Resolution Officer since the date of the last report.
2. Any recommendations made, action taken or surveys obtained by the Taxpayer Problem Resolution Officer pursuant to subsection B.1.-9., above, since the date of the last report. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0516 TAXPAYER ASSISTANCE ORDERS:

- A. The Taxpayer Problem Resolution Officer, with or without a formal written request from a taxpayer, may issue a taxpayer assistance order that suspends or stays an action or proposed action by the Tax Collector if, in the problem resolution officer's determination, a taxpayer is suffering or will suffer a significant hardship due to the manner in which the Tax Collector is administering the tax laws.
- B. A taxpayer assistance order may require the Tax Collector to release any lien perfected under this Chapter, or cease any action or refrain from taking any action to enforce against the taxpayer any section of this Chapter pending resolution of the issue giving rise to the taxpayer assistance order.
- C. The Taxpayer Problem Resolution Officer, City Manager or, for a city without a city manager, the chief administrative officer may modify, reverse or rescind a taxpayer assistance order. A taxpayer assistance order is binding on the Tax Collector until it is reversed or rescinded.
- D. The running of the applicable statute of limitations for any action that is the subject of a taxpayer assistance order is suspended from the date the taxpayer applies for the order or the date the order is issued, whichever is earlier, until the order's expiration date, modification date or rescission date, if any. Interest that would otherwise accrue on an outstanding tax obligation is not affected by the issuance of a taxpayer assistance order.
- E. A taxpayer assistance order may not be used:
 - 1. To contest the merits of a tax liability.
 - 2. To substitute for informal protest procedures or administrative or judicial proceedings to review a deficiency assessment, collection action or denial of a refund claim. (Ord. 1924, 01.07/97)

SECTION 3-05-005-0517 BASIS FOR EVALUATING EMPLOYEE PERFORMANCE:

- A. The Tax Collector shall solicit evaluations from taxpayers and include such evaluations in the performance appraisals of his employees, where applicable.
- B. The Tax Collector shall not evaluate an employee on the basis of taxes assessed or collected by that employee. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0520 REPORTING AND PAYMENT OF TAX:

- A. Returns: The returns required under this Chapter shall be made upon forms prescribed or approved by the Tax Collector, and shall be considered filed only when the accuracy of the return has been attested to, by signature upon the form, by an authorized agent of the taxpayer, and when such form has been received by the Tax Collector.

- B. Payment: If payment is made in any form other than United States legal tender, the tax obligation shall not be satisfied until the payment has been honored in funds.
- C. Requirement of Security: If a taxpayer has remitted payment in the form of a check or other form of draw upon a bank or third party and such remittance has not been honored in funds, the Tax Collector may demand security for future payments.
- D. Method of Reporting: Each taxpayer shall elect to report on either a cash receipts basis or an accrual basis and shall indicate the choice on the privilege license application. A taxpayer shall not change his reporting method without receiving prior written approval by the Tax Collector.
 - 1. Taxpayers must report all gross income subject to the tax using the same basis of reporting.
 - 2. Taxes imposed upon construction contracting shall be reported as follows:
 - a. Construction contractors shall report on either a progressive billing ("accrual") basis or cash receipts basis.
 - b. Speculative builders shall report the gross income derived from sale of improved real property at close of escrow or at transfer of title or possession, whichever occurs earlier.
 - c. Owner-builders who are not speculative builders shall report taxable amounts as provided in Section 3-05-004-0417.

SECTION 3-05-005-0530 WHEN TAX DUE; WHEN DELINQUENT; VERIFICATION OF RETURN; EXTENSIONS:

- A. Except as provided elsewhere in this Section, the taxes shall be due and payable monthly on or before the twentieth (20th) day of the month next succeeding the month in which the tax accrues.
 - 1. Quarterly returns. The Tax Collector may authorize a taxpayer whose reporting history indicates an estimated annual City privilege and use tax liability on taxable gross income in excess of five thousand dollars (\$5,000.00) but less than fifty thousand dollars (\$50,000.00) to file returns on a calendar-quarterly basis.

The taxes for each calendar quarter shall be due and payable on or before the twentieth (20th) day of the month next succeeding the end of each calendar quarter.
 - 2. Annual returns. The Tax Collector may authorize a taxpayer whose reporting history indicates an estimated annual City privilege and use tax liability on taxable gross income of not more than five thousand dollars (\$5,000.00) to file returns for such taxes on a calendar-annual basis. The taxes for each calendar year shall be due and payable on or before January 20 of the following year.

- B. Special Requirements of Taxpayers Filing Quarterly or Annual Returns: No taxpayer may report on a quarterly or annual basis until he has established, to the Tax Collector's satisfaction, six (6) months reporting history. It is the taxpayer's responsibility to notify the Tax Collector and increase his reporting frequency (to quarterly or monthly as applicable) when his taxable income or tax due exceeds the maximum limits for his current reporting frequency. Failure to do so may be deemed negligence or evasion, and penalties may apply. Failure to file returns timely, without good cause shown to the satisfaction of the Tax Collector, is sufficient cause for the Tax Collector to deny future filings by the taxpayer on a quarterly or annual basis.
- C. Delinquency Date: Except as provided in subsection D. below, all returns and remittances received within the Tax Collector's office on or before the last business day of the month when due shall be regarded as timely filed. The start of business of the first business day following the month when due shall be the delinquency date. It shall be the taxpayer's responsibility to cause his return and remittance to be timely received. Mailing the return or remittance on or before the due date or delinquency date does not relieve the taxpayer of the responsibility of causing his return or remittance to be received by the last business day of the month when due.
- D. Jeopardy Reporting: If the Tax Collector determines that the collection of any tax due to the City is in jeopardy, the Tax Collector may direct the taxpayer to file his return and remit the tax on a weekly, daily, or transaction-by-transaction basis. Such return and remittance shall be due upon the date fixed by the Tax Collector, and the "delinquency date" shall be the following day.
- E. Extensions: The Tax Collector may extend the time for filing a return, for good cause shown, and only when requested in writing and received by the Tax Collector prior to the tax due date. However, the time for filing such return shall not be extended beyond the last business day of the month next succeeding the due date of such return. In such cases, only the penalties for late filing and late payment may be waived by the Tax Collector for filing and payment within the extension period. Notwithstanding the granting of an extension, the interest payable for late payment of taxes shall be paid for the period commencing upon the original delinquency date and ending on the date the tax is paid. The interest may not be waived by the Tax Collector. (Ord. 1851, 01/03/95)

SECTION 3-05-005-0540 INTEREST AND CIVIL PENALTIES:

- A. Any taxpayer who failed to pay any of the taxes imposed by this Chapter which were due or found to be due before the delinquency date shall be subject to and shall pay interest upon such tax at the rate of one percent (1%) per month, until paid. Said interest may be neither waived by the Tax Collector nor abated by the Hearing Officer except as it might relate to a tax abated as provided by Section 3-05-005-0570.
- B. In addition to interest assessed under subsection A. above, any taxpayer who failed to pay any of the taxes imposed by this Chapter which were due or found to be due before the delinquency date shall be subject to and shall pay any or all of the following civil penalties, in addition to any other penalties prescribed by this Chapter:

1. A taxpayer who fails to timely file a return for a tax imposed by this Chapter shall pay a penalty of five percent (5%) of the tax for each month or fraction of a month elapsing between the delinquency date of the return and the date on which it is filed, unless the taxpayer shows that the failure to timely file is due to reasonable cause and not due to wilful neglect. This penalty shall not exceed twenty five percent (25%) of the tax due.
 2. A taxpayer who fails to pay the tax within the time prescribed shall pay a penalty of ten percent (10%) of the unpaid tax, unless the taxpayer shows that the failure to timely pay is due to reasonable cause and not due to wilful neglect. If the taxpayer is also subject to a penalty under subsection B.1. above for the same period, the total penalties under subsection B.1. and this subsection shall not exceed twenty five percent (25%) of the tax due.
 3. A taxpayer who fails or refuses to file a return within thirty (30) days of having received a written notice and demand from the Tax Collector shall pay a penalty of twenty five percent (25%) of the tax, unless the taxpayer shows that the failure is due to reasonable cause and not due to wilful neglect or the Tax Collector agrees to a longer time period.
 4. If the cause of a tax deficiency is determined by the Tax Collector to be due to negligence, but without regard for intent to defraud, the taxpayer shall pay a penalty of ten percent (10%) of the amount of deficiency. If the taxpayer is also subject to a penalty under subsection B.1. or B.2. above for the same tax period, the total penalties imposed under subsection B.1., B.2. and this subsection shall not exceed twenty-five percent (25%) of the tax due.
 5. If the cause of a tax deficiency is determined by the Tax Collector to be due to civil fraud or evasion of the tax, the taxpayer shall pay a penalty of fifty percent (50%) of the amount of deficiency.
- C. Penalties and interest imposed by this Section are due and payable upon notice by the Tax Collector.
- D. If, following an audit, penalties attributable to the audit period are to be assessed pursuant to subsection B.1. or B.2. above, the Tax Collector, before assessing such penalties, must take into consideration any information or explanations provided by the taxpayer as to why the return was not timely filed and/or the tax was not timely paid. If such information and/or explanations are provided by the taxpayer, and the Tax Collector never the less decides to assess penalties pursuant to subsection B.1. and B.2. above, then, at the time the penalties are assessed, the Tax Collector must provide the taxpayer with a detailed written explanation of the basis for the Tax Collector's determination that the information and/or explanations provided by the taxpayer did not constitute reasonable cause.
- E. The assessment of the penalties prescribed by subsection B.3. through B.5. above must be approved on a case-by-case basis by the Tax Collector prior to such assessment. In addition, any assessment which includes penalties based upon subsection B.3., B.4., or B.5. above must be

accompanied by a statement signed by the Tax Collector setting forth in detail the basis for the Tax Collector's determination that the penalties are warranted under the circumstances.

F. The Tax Collector shall waive or adjust penalties imposed by subsections B.1. and B.2. above upon a finding that:

1. In the past, the taxpayer has consistently filed and paid the taxes imposed by this Chapter in a timely manner; or
2. The amount of the penalty is greatly disproportionate to the amount of the tax; or
3. The failure of a taxpayer to file a return and/or pay any tax by the delinquency date was caused by any of the following circumstances which must occur prior to the delinquency date of the return or payment in question:
 - a. The return was timely filed but was inadvertently forwarded to another taxing jurisdiction.
 - b. Erroneous or insufficient information was furnished the taxpayer by the Tax Collector or his employee or agent.
 - c. Death or serious illness of the taxpayer, member of his immediate family, or the preparer of the reports immediately prior to the due date.
 - d. Unavoidable absence of the taxpayer immediately prior to the due date.
 - e. Destruction, by fire or other casualty, of the taxpayer's place of business or records.
 - f. Prior to the due date, the taxpayer made application for proper forms which could not be furnished in sufficient time to permit a timely filing.
 - g. The taxpayer was in the process of pursuing an active protest of the tax in question in another taxing jurisdiction at the time the tax and/or return was due.
 - h. The taxpayer establishes through competent evidence that the taxpayer contacted a tax advisor who is competent on the specific tax matter and, after furnishing necessary and relevant information, the taxpayer was incorrectly advised that no tax was owed and/or the filing of a return was not required.
 - i. The taxpayer has never been audited by a city for the tax or on the issue in question and relied, in good faith, on a State exemption or interpretation.
 - j. The taxpayer can provide some public record (court case, report in a periodical, professional journal or publication, etc.) stating that the transaction is not subject to tax.

- k. The Arizona Department of Revenue, based upon the same facts and circumstances, abated penalties for the same filing period.

A taxpayer may also request a waiver or adjustment of penalty for a reason thought to be equally substantive to those reasons itemized above. All requests for waiver or adjustment of penalty must be in writing and shall contain all pertinent facts and other reliable and substantive evidence to support the request. In all cases, the burden of proof is upon the taxpayer.

- G. No request for waiver of penalty under subsection F. above may be granted unless written request for waiver is received by the Tax Collector within forty five (45) days following the imposition of penalty. Any taxpayer aggrieved by the refusal to grant a waiver under subsection F. above may appeal under the provisions of Section 3-05-005-0570 provided that a petition of appeal or request for an extension is submitted to the Tax Collector within forty five (45) days of the taxpayer's receipt of notice by the City that waiver has been denied.
- H. For the purpose of this Section, "reasonable cause" shall mean that the taxpayer exercised ordinary business care and prudence, i.e., had a reasonable basis for believing that the tax did not apply to the business activity or the storage or use of the taxpayer's tangible personal property in this City.
- I. For the purpose of this Section, "negligence" shall be characterized chiefly by inadvertence, thoughtlessness, inattention, or the like, rather than an "honest mistake". Examples of negligence include:
 - 1. The taxpayer's failure to maintain records in accordance with Division 003 of this Chapter.
 - 2. Repeated failures to timely file returns; or
 - 3. Gross ignorance of the law. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0541 ERRONEOUS ADVICE OR MISLEADING STATEMENTS BY THE TAX COLLECTOR; ABATEMENT OF PENALTIES AND INTEREST; DEFINITION:

- A. Notwithstanding Section 3-05-005-0540 A., no interest or penalty may be assessed on an amount assessed as a deficiency if either:
 - 1. The deficiency assessed is directly attributable to erroneous written advice furnished to the taxpayer by an employee of the City acting in an official capacity in response to a specific request from the taxpayer and not from the taxpayer's failure to provide adequate or accurate information.
 - 2. All of the following are true:
 - a. A tax return form prepared by the Tax Collector contains a statement that, if followed by a taxpayer, would cause the taxpayer to misapply this Chapter.

- b. The taxpayer reasonably relies on the statement.
 - c. The taxpayer's underpayment directly results from this reliance.
- B. Each employee of the Tax Collector, at the time any oral advice is given to any person, shall inform the person that the Tax Collector is not bound by such oral advice.
- C. For purposes of this Section "tax return form" includes the instructions that the Tax Collector prepares for use with the tax return form. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0545 DEFICIENCIES; WHEN INACCURATE RETURN IS FILED; WHEN NO RETURN IS FILED; ESTIMATES:

- A. If the taxpayer has failed to file a return, or if the Tax Collector is not satisfied with the return and payment of the amount of tax required, and additional taxes are determined by the Tax Collector to be due, the Tax Collector shall deliver written notice of his determination of a deficiency to the taxpayer, and such deficiency, plus penalties and interest, shall be due and payable forty five (45) days after receipt of the notice and demand. Such additional taxes shall bear any applicable civil penalties and interest as provided in Section 3-05-005-0540, and every such notice of a determination of an additional amount due shall be assessed within the limitation period provided in Section 3-05-005-0550.
 - 1. When a return is filed. If the Tax Collector is not satisfied with a return and payment of the amount of tax required by this Chapter to be paid to the City, he may examine the return or examine the records of the taxpayer, and redetermine the amount of tax, penalties, and interest required to be paid, for any periods available to the Tax Collector under Section 3-05-005-0550, based upon the information contained in the return or records or based upon any information within his possession or which comes into his possession.
 - 2. When no return is filed. If any person fails to make a return, the Tax Collector may make an estimate of the amount of tax due under this Chapter and compute any applicable penalties and interest due, based upon any information within his possession or which comes into his possession.

SECTION 3-05-005-0546 CLOSING AGREEMENTS IN CASES OF EXTENSIVE TAXPAYER MISUNDERSTANDING OR MISAPPLICATION; CITY ATTORNEY APPROVAL; RULES:

- A. If the Tax Collector determines that noncompliance with tax obligations results from extensive misunderstanding or misapplication of provisions of this Chapter it may enter into closing agreements with those taxpayers under the following terms and conditions:
 - 1. Extensive misunderstanding or misapplication of the tax laws occurs if the Tax Collector determines that more than sixty percent (60%) of the persons in the affected class have failed to properly

account for their taxes owing to the same misunderstanding or misapplication of the tax laws.

2. The Tax Collector shall publicly declare the nature of the possible misapplication and the proposed definition of the class of affected taxpayers and shall conduct a public hearing to hear testimony regarding the extent of the misapplication and the definition of the affected class.
 3. If, after the public hearing, the Tax Collector determines that a class of affected taxpayers has failed to comply with their tax obligations because of extensive misunderstanding or misapplication of the tax laws it shall issue a tax ruling announcing that finding and publish the ruling in a newspaper of general circulation in the City and through the next two model city tax code updates.
 4. A closing agreement under this Section may abate some or all of the penalties, interest and tax that taxpayers have failed to remit, or the agreement may provide for the prospective treatment of the matter as to the class of affected taxpayers. All taxpayers in the class shall be offered the opportunity to enter into a similar agreement for the same tax periods.
 5. Taxpayers in the affected class who have properly accounted for their tax obligations for these tax periods shall be offered the opportunity to enter into an equivalent closing agreement providing for a pro rata credit or refund of their taxes previously paid.
 6. The closing agreement shall require the taxpayers to properly account for and pay such taxes in the future. If a taxpayer fails to adhere to such a requirement, the closing agreement is voidable by the Tax Collector and he may assess the taxpayer for the delinquent taxes. The Tax Collector may issue such a proposed assessment within six months after the date that he declares that closing agreement void or within the period prescribed by section 3-05-005-0550 of this Chapter.
- B. Before entering into closing agreements pursuant to this Section, the Tax Collector shall secure such approval as required by charter, ordinance or administrative regulation.
- C. After a closing agreement has been signed pursuant to this Section, it is final and conclusive except on a showing of fraud, malfeasance or misrepresentation of a material fact. The case shall not be reopened as to the matters agreed upon or the agreement shall not be modified by any officer, employee or agent of the City. The agreement or any determination, assessment, collection, payment abatement, refund or credit made pursuant to the agreement shall not be annulled, modified, set aside or disregarded in any suit, action or proceeding.
- D. The Tax Collector shall report in writing its activities under this Section to the Mayor and City Council on or before February 1 of each year. (Ord. 1924, 01/07/97)

SECTION 305-005-0550 LIMITATION PERIODS:

A. Limitation when a return has been filed:

1. Except as provided elsewhere in this Section, the Tax Collector may assess additional tax due at any time within four (4) years after the date on which the return is required to be filed, or within four (4) years after the date on which the return is filed, whichever period expires later.
2. However, if a taxpayer does not report an amount properly reportable which is in excess of twenty five percent (25%) of the taxable amount stated on the return, the Tax Collector may assess additional tax due at any time within six (6) years after the date on which the return was filed.
3. Any delay in commencement or completion of any examination by the Tax Collector, which is requested or agreed to in writing by the taxpayer, shall be excluded from the computation of any limitation period prescribed by this Section, and the Tax Collector shall be entitled to make a determination for taxes due without exclusion of any such time period, and any limitation period shall be extended for a length of time equivalent to the period of the agreed upon delay.
4. Any assessment of additional tax due by the Tax Collector shall be deemed to have been made by mailing a copy of a notice of audit assessment by certified mail to the taxpayer's address of record with the Tax Collector or by personal delivery of a copy of a notice of audit assessment to the taxpayer or his authorized agent.

B. Suspension of Limitation Period: The limitation period on assessment shall be suspended for any period:

1. The assets of the taxpayer are in the control or custody of the court in any proceeding before any court of jurisdiction within the United States of America, and for one hundred eighty (180) calendar days thereafter; or
2. Which the taxpayer and the Tax Collector agree upon in writing.

C. When No Return Filed; Fraudulent Return: In the case of a fraudulent return with the intent to evade tax, or the failure or refusal to file a return for any month, the Tax Collector may assess the amount of taxes payable for that month at any time, without any reliance by the taxpayer upon any time limitation provided elsewhere in this Chapter.

D. Special Provisions Relating to Owner-Builders: The limitation for an owner-builder subject to the tax as prescribed in Section 3-05-004-0417 shall be based upon the date such tax liability is reportable or was reported, as provided in Section 3-05-004-0417. (Ord. 1924, 01/07/97)

**SECTION 3-05-005-0555 TAX COLLECTOR MAY EXAMINE BOOKS AND OTHER RECORDS;
FAILURE TO PROVIDE RECORDS:**

- A. The Tax Collector may require the taxpayer to provide and may examine any books, records, or other documents of any person who, in the opinion of the Tax Collector, might be liable for any tax under this Chapter, for any periods available to him under Section 3-05-005-0550.
- B. In order to perform any examination authorized by this Chapter, the Tax Collector may issue an administrative request for the attendance of witnesses or for the production of documents, as provided by regulation.
- C. If within sixty (60) days of receiving a written request for information in the possession of the taxpayer, the taxpayer fails or refuses to furnish the requested information the Tax Collector may, in addition to penalties prescribed under Section 3-05-005-0540, impose an additional penalty of twenty five percent (25%) of the amount of any tax deficiency which is attributable to the information which the taxpayer failed to provide, unless the taxpayer shows that the failure is due to reasonable cause and not due to wilful neglect.
- D. The Tax Collector may use any generally accepted auditing procedures, including sampling techniques, to determine the correct tax liability of any taxpayer. The Tax Collector shall ensure that the procedures used are in accordance with generally accepted auditing standards.
- E. The fact that the taxpayer has not maintained or provided such books and records which the Tax Collector considers necessary to determine the tax liability of any person does not preclude the Tax Collector from making any assessment. In such cases, the Tax Collector is authorized to use estimates, projections, or samplings, to determine the correct tax. The provisions of Section 3-05-005-0545 B., concerning estimates, shall apply.
- F. The Tax Collector shall give the taxpayer written notice of his determination of a deficiency by certified mail to the taxpayer's address of record with the Tax Collector, and the tax deficiency, plus interest and penalties, is final forty five (45) days from the date of receipt of the notice by the taxpayer, unless an appeal is taken pursuant to the provisions of Section 3-05-005-0570 through 3-05-005-0575. (Ord. 1924, 01/07/97)

**SECTION 3-05-005-0556 NO ADDITIONAL AUDITS OR PROPOSED ASSESSMENTS;
EXCEPTIONS:**

- (a) Once the Tax Collector completes an examination authorized by Section 3-5-555 and a written notice of the determination of a deficiency has been issued to the taxpayer pursuant to Section 3-5-545(a) or 3-5-555(f), the taxpayer's liability for the time period subjected to the examination is fixed and determined, and no additional audit or examination may be conducted by the Tax Collector with respect to such time period except under the following circumstances.
 - (1) if a taxpayer files a claim for refund under Section 3-5-560, the Tax Collector may conduct an examination limited to the issues presented in the refund claim.

- (2) if the taxpayer failed to disclose material information during the initial examination, falsified books or records, or otherwise engaged in conduct which prevented the Tax Collector from conducting an accurate examination. The applicability of this subsection, and the Tax Collector's right to proceed thereunder, may be raised and contested by the taxpayer in a subsequent administrative review brought pursuant to Section 3-5-570.
- (b) An audit or examination conducted by any other taxing jurisdiction will not preclude the Tax Collector from conducting an audit or examination for the same time period.
- (c) If the Tax Collector issues a notice of deficiency pursuant to either Section 3-5-545(a) or Section 3-5-555(f), the Tax Collector may not increase the proposed deficiency except in one or more of the following circumstances:
 - (1) the taxpayer made a material misrepresentation of fact.
 - (2) the taxpayer failed to disclose a material fact.
 - (3) the Tax Collector submitted a written request for information prior to issuance of the assessment, and the taxpayer, despite possessing or having access to such information, failed to provide it within 60 days as required by Section 3-5-555(c).
 - (4) after issuing the notice of determination of deficiency but before the deficiency became final, the Arizona Tax Court, Court of Appeals or Supreme Court issued a decision, the applicability of which causes the deficiency initially proposed to increase.

(Ord. 1924, 01/07/97; Ord. 1979, 10/06/98); (Ord. No. 1979, Amended, 10/06/98)

SECTION 3-05-005-0560 ERRONEOUS PAYMENT OF TAX; CREDITS AND REFUNDS; LIMITATIONS:

- A. The Tax Collector may authorize either credits or payments of refunds for any taxes, penalties or interest paid in excess of the amount actually due. Any credit authorized by the Tax Collector shall be cancelled from the accounts of the City if no timely filed request for credit or refund is made by the taxpayer claiming same within one year following the date of determination and notice by the Tax Collector of the excess payment.
- B. No credit shall be allowed or refund paid except under one of the following conditions:
 - 1. As provided in Section 3-05-005-0565.
 - 2. Upon examination of filed returns for any period not excluded by Section 3-05-005-0550, and not to exceed the tax, penalty, or interest actually paid with such returns.
 - 3. Upon audit or other examination of the books and records of the taxpayer, but only for periods as provided in Section 3-05-005-0550. In the case of an examination performed at the taxpayer's

request, credit shall be allowed or refund paid only for any excess taxes, penalties, or interest taxes actually paid within the limitation period provided in Section 3-05-005-0550, such period to be calculated from the date of receipt of the taxpayer's request by the Tax Collector. Requests by taxpayers for audits to authorize credits shall be honored unless, in the opinion of the Tax Collector, the taxpayer has made excessive requests for audits.

4. Upon the taxpayer's submission of a written claim for refund of any excess taxes, penalties, or interest paid to the City by the taxpayer. When a written claim for refund is submitted, credit shall be allowed or refund paid only for those excess taxes, penalties, or interest paid within the limitation period provided in Section 3-05-005-0550, such period to be calculated from the date the Tax Collector received the taxpayer's written refund claim. A refund claim submitted by a taxpayer pursuant to this subsection must identify the specific grounds upon which the claim is based, the dollar amount of the refund requested, the specific tax periods involved, and the name, address and tax identification number of the claimant.
- C. No credit will be allowed or refund paid where it appears that the taxpayer has collected, by separately stated itemization, the amount of the tax, except that a credit or refund will be allowed in such case if the taxpayer can present documentation satisfactory to the Tax Collector identifying each customer from whom the excess taxes were collected and establishing that any taxes refunded pursuant to this Section will be remitted to those customers within sixty (60) days of receipt of the refund.
- D. Interest shall be allowed at the rate set forth in Section 3-05-005-0540 A. on any credit or refund authorized pursuant to the provisions of this Chapter. Interest shall be calculated from the time of the claim made to the City by the taxpayer.
- E. The determination of the Tax Collector that no refund or credit is to be paid or allowed pursuant to this Section may be appealed by the taxpayer under the provisions of Section 3-05-005-0570.
- F. Any refund paid under the provisions of this Section shall be paid from the privilege tax revenue accounts. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0565 PAYMENT OF TAX TO THE INCORRECT ARIZONA CITY OR TOWN:

- A. When it is determined that taxes have been reported and paid to the City by the wrong taxpayer, any taxes erroneously paid shall be transferred by the City to the privilege tax account of the person who actually owes and should have paid such taxes, provided that the City receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax.
- B. An assignment and waiver provided under this Section, must:
 1. Identify the name and City privilege license number of the person who erroneously paid the tax and the person who should have paid the tax.

2. Provide that the person who erroneously paid the tax waives any right such person may have to a refund of the taxes erroneously paid.
 3. Authorize the City Treasurer to transfer the erroneously paid tax to the privilege tax account of the person who should have paid the tax.
- C. When it is determined that taxes have been reported and paid to the wrong Arizona city or town, such taxes shall be remitted to the correct city or town, provides that the city or town to whom the taxes were erroneously paid receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax. Where the person who actually paid the tax and the person who should have paid the tax are one and the same, no assignment and waiver need be provided. The City shall neither pay nor charge any interest or penalty on any overpayment or underpayment except such interest and penalty actually paid by the taxpayer relating to such tax.
- D. This Section in no way limits or restricts the applicability of any remedies which may otherwise be available under A.R.S. Section 42-1452. The limitations and procedures set forth in Arizona Revised Statutes Section 42-1452 shall apply to all payments under this Section.
- E. When reference is made in this Section to this City or an Arizona city or town, and payments made to or requested from this City or an Arizona city or town, the provisions shall be applicable to the Arizona Department of Revenue when it is acting for or on behalf of this City or an Arizona city or town. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0567 RESERVED:

SECTION 3-05-005-0570 ADMINISTRATIVE REVIEW; PETITION FOR HEARING OR FOR REDETERMINATION; FINALITY OF ORDER:

- A. Informal Conference: A taxpayer shall have the right to discuss any proposed assessment with the auditor prior to the issuance of any assessment, but any such informal conference is not required for the taxpayer to file a petition for administrative review.
- B. Administrative Review:
1. Filing a petition. Other than in the case of a jeopardy assessment, a taxpayer may contest the applicability or amount of any tax, penalty, or interest imposed upon or paid by him pursuant to this Chapter by filing a petition for a hearing or for redetermination with the Tax Collector as set forth below:
 - a. Within forty five (45) days of receipt by the taxpayer of notice of a determination by the Tax Collector that a tax, penalty, or interest amount is due, or that a request for refund or credit has been denied; or

- b. By voluntary payment of any contested amount when accompanied by a timely filed return and a petition requesting a refund of the protested portion of said payment; or
 - c. By petition accompanying a timely filed return contesting an amount reported but not paid; or
 - d. By petition requesting review of denial of waiver of penalty as provided in subsection 3-05-005-0540 F.
- 2. Extension to file a petition. In all cases, the taxpayer may request only one (1) extension from the Tax Collector. Such request must be in writing, state the reasons for the requested delay and time of delay requested, and must be filed with the Tax Collector within the period allowed above for originally filing a petition. The Tax Collector shall allow such extension to file a petition, when such written request has been properly and timely made by the taxpayer, but such extension shall not exceed forty five (45) days beyond the time provided for originally filing a petition.
- 3. Requirements for petition.
 - a. The petition shall be in writing and shall set forth the reasons why any correction, abatement, or refund should be granted, and the amount of reduction or refund requested. The petition may be amended at any time prior to the time the taxpayer rests his case at the hearing or such time as the Hearing Officer allows for submitting of amendments in cases of redeterminations without hearings. The Hearing Officer may require that amendments be in writing, and in that case, he shall provide a reasonable period of time to file the amendment. The Hearing Officer shall provide a reasonable period of time for the Tax Collector to review and respond to the petition and to any written amendments.
 - b. The taxpayer, as part of the petition, may request a hearing which shall be granted by the Hearing Officer. If no request for hearing is made the petition shall be considered to be submitted for decision by the Hearing Officer on the matters contained in the petition and in any reply made by the Tax Collector.
 - c. The provisions of this Section are exclusive, and no petition seeking any correction, abatement, or refund shall be considered unless the petition is timely and properly filed under this Section.
- 4. Transmittal to the Hearing Officer. The City Manager or his designee shall be the Hearing Officer. The Tax Collector, if designated to receive petitions, shall forward any petition to the Hearing Officer within ten (10) days after receipt, accompanied by documentation as to timeliness. In cases where the Hearing Officer determines that the petition is not timely or not in proper form, he shall notify both the taxpayer and the Tax Collector; and in cases of petitions not in proper form only, the Hearing Officer

shall provide the taxpayer with an extension up to forty five (45) days to correct the petition.

5. Hearings shall be conducted by a Hearing Officer and shall be continuous until the Hearing Officer closes the record. The taxpayer may be heard in person or by his authorized representative at such hearing. Hearings shall be conducted informally as to the order of proceeding and presentation of evidence. The Hearing Officer shall admit evidence over hearsay objections where the offered evidence has substantial probative value and reliability. Further, copies of records and documents prepared in the ordinary course of business may be admitted, without objection as to foundation, but subject to argument as to weight, admissibility, and authenticity. Summary accounting records may be admitted subject to satisfactory proof of the reliability of the summaries. In all cases, the decision of the Hearing Officer shall be made solely upon substantial and reliable evidence. All expenses incurred in the hearing shall be paid by the party incurring the same.
 6. Redeterminations upon a "petition for redetermination" shall follow the same conditions, except that no oral hearing shall be held.
 7. Hearing ruling. In either case, the Hearing Officer shall issue his ruling not later than forty five (45) days after the close of the record by the Hearing Officer.
 8. Notice of refund or adjusted assessment. Within sixty (60) days of the issuance of the Hearing Officer's decision, the tax collector shall issue to the taxpayer either a notice of refund or an adjusted assessment recalculated to conform to the Hearing Officer's decision.
- C. Stipulations that Future Tax is Also Protested: A taxpayer may enter into a stipulation with the Tax Collector that future taxes of similar nature are also at issue in any protest or appeal. However, unless such stipulation is made, it is presumed that the protest or appeal deals solely and exclusively with the tax specifically protested and no other. When a taxpayer enters into such a stipulation with the Tax Collector that future taxes of similar nature will be included in any redetermination, hearing, or court case, it is the burden of that taxpayer to identify, segregate, and keep record of such income or protested taxable amount in his books and records in the same manner as the taxpayer is required to segregate exempt income.
- D. When an Assessment is Final:
1. If a request for administrative review and petition for hearing or redetermination of an assessment made by the Tax Collector is not filed within the period required by subsection B. above, such person shall be deemed to have waived and abandoned the right to question the amount determined to be due and any tax, interest, or penalty determined to be due shall be final as provided in subsections 3-05-005-0545 A. and 3-05-005-0555 F.
 2. The decision made by the Hearing Officer upon administrative review by hearing or redetermination shall become final thirty (30) days

after the taxpayer receives the notice of refund or adjusted assessment required by subsection B.8. above, unless the taxpayer appeals the order or decision in the manner provided in Section 3-05-005-0575.

E. Reserved. (Ord. 1925, 01/07/97)

SECTION 3-05-005-0571 JEOPARDY ASSESSMENTS:

- A. If the Tax Collector believes that the collection of any assessment or deficiency of any amounts imposed by this Chapter will be jeopardized by delay, he shall deliver to the taxpayer a notice of such finding and demand immediate payment of the tax or deficiency declared to be in jeopardy, including interest, penalties, and additions.
- B. Jeopardy assessments are immediately due and payable, and the Tax Collector may immediately begin proceedings for collection. The taxpayer, however, may stay collection by filing, within ten (10) days after receipt of notice of jeopardy assessment, or within such additional time as the Tax Collector may allow, by bond or collateral in favor of the City in the amount Tax Collector declared to be in jeopardy in his notice.
- C. "Bond or Collateral", as required by this Section,
 - 1. Shall mean either:
 - a. A bond issued in favor of the City by a surety company authorized to transact business in this State and approved by the Director of Insurance as to solvency and responsibility, or
 - b. Collateral composed of securities or cash which are deposited with, and kept in the custody of, the Tax Collector.
 - 2. Shall be of such form that it may, at any time without notice, be applied to any tax, penalties, or interest due and payable for the purposes of this Chapter. Securities held as collateral by the Tax Collector must be of a nature that they may be sold at public or private sale without notice to the taxpayer.
- D. If bond or collateral is not filed within the period prescribed by subsection B. above, the tax collector may treat the assessment as final for purposes of any collection proceedings. The taxpayer nevertheless shall be afforded the appeal rights provided in Sections 3-05-005-0570 and 3-05-005-0575. The filing of a petition by the taxpayer under Section 3-05-005-0570, however, shall not stay the tax collector's rights to pursue any collection proceedings.
- E. If the taxpayer timely files sufficient bond or collateral, the jeopardy requirements are deemed satisfied, and the taxpayer may avail himself of the provisions of Section 3-05-005-0570, including requests for additional time to file a petition. (Ord. 1593, 12/06/88)

SECTION 3-05-005-0572 EXPEDITED REVIEW OF JEOPARDY ASSESSMENTS:

- A. Within thirty (30) days after the day on which the Tax Collector furnishes the written notice required by Section 3-05-005-0571 A., the taxpayer, pursuant to Section 3-05-005-0570, may request the Tax Collector to review the action taken. Within fifteen (15) days after the request for review, the Tax Collector shall determine whether both the jeopardy determination and the amount assessed are reasonable.

- B. Within thirty (30) days after the Tax Collector notifies the taxpayer of the determination he reached pursuant to subsection A. above, the taxpayer may bring a civil action in the appropriate court. If the taxpayer so requests, the City shall stipulate to an accelerated and expedited resolution of the civil action. If the court determines that either the jeopardy determination or the amount assessed is unreasonable, the court may order the Tax Collector to abate the assessment, to redetermine any part of the amount assessed or to take such other action as the court finds to be appropriate. A determination made by the court under this subsection is final except as provided in Arizona Revised Statutes Section 12-170. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0575 JUDICIAL REVIEW:

- (a) A taxpayer may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action against the City in the appropriate court of this County. A taxpayer is not required to pay any tax, penalty, or interest upheld by the Hearing Officer before seeking such judicial review.

- (b) The Tax Collector may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action in the appropriate court of this County.

- (c) An action for judicial review cannot be commenced by either the taxpayer or the Tax Collector more than thirty (30) days after receipt by the taxpayer of notice of any refund or assessment recalculated or reduced to conform to the Hearing Officer's decision, unless the time to commence such an action is extended in writing signed by both the taxpayer and the Tax Collector. Failure to bring the action within thirty (30) days or such other time as is agreed upon in writing shall constitute a waiver of any right to judicial review, except as provided in subsection F. below.

- (d) The court shall hear and determine the appeal as a trial de novo; however, the Tax Collector cannot raise in the court any grounds or basis for the assessment not asserted before the Hearing Officer. Nothing in this subsection, however, shall preclude the Tax Collector from responding to any arguments which are raised by the taxpayer in the appeal.

- (e) The City has the burden of proof by a preponderance of the evidence in any court proceeding regarding any factual issue relevant to ascertaining the tax liability of a taxpayer. This subsection does not abrogate any requirements of this chapter that requires a taxpayer to substantiate an item of gross income, exclusion, exemption, deduction, or credit. This subsection applies to a factual issue if a preponderance of the evidence demonstrates that:

- (1) The taxpayer asserts a reasonable dispute regarding the issue.
 - (2) The taxpayer has fully cooperated with the Tax Collector regarding the issue, including providing within a reasonable period of time, access to and inspection of all witnesses, information and documents within the taxpayer's control, as reasonable requested by the Tax Collector.
 - (3) The taxpayer has kept and maintained records as required by the City.
- (f) The issuance of an adjusted or corrected assessment or notice of refund due to the taxpayer, where made by the Tax Collector pursuant to the decision of the Hearing Officer, shall not be deemed an acquiescence by the City or the Tax Collector in said decision, nor shall it constitute a bar or estoppel to the institution of an action or counterclaim by the City to recover any amounts claimed to be due to it by virtue of the original assessment.
- (g) After the initiation of any action in the appropriate court by either party, the opposite party may file such counterclaim as would be allowed pursuant to the Arizona Rules of Civil Procedure. (Ord. 1924, 01/07/97)
- (Ord. 2008, Amended, 11/02/1999)

SECTION 3-05-005-0577 REFUNDS OF TAXES PAID UNDER PROTEST:

In the event the Hearing Officer's decision or a final judgment by the court is rendered in favor of the taxpayer to recover protested taxes, it shall be the duty of the Tax Collector, upon receipt of such decision or of a certified copy of such final judgment, to authorize a warrant in favor of the taxpayer in an amount equal to the amount of the tax found by such decision or by the final judgment to have been paid under protest, and such warrant shall include the amount of interest or other cost that may have been recovered against the city by the final judgment in such action in the courts, to be paid from the privilege tax revenue accounts.

SECTION 3-05-005-0578 REIMBURSEMENT OF FEES AND OTHER COSTS; DEFINITIONS:

- A. A taxpayer who is a prevailing party may be reimbursed for reasonable fees and other costs related to any administrative proceeding brought by the taxpayer pursuant to Section 3-05-005-0570 B. For purposes of this Section, a taxpayer is considered to be the prevailing party only if both of the following are true:
- 1. The Tax Collector's position was not substantially justified.
 - 2. The taxpayer prevails as to the most significant issue or set of issues.
- B. Reimbursement under this Section may be denied if any of the following circumstances apply:

1. During the course of the proceeding the taxpayer unduly and unreasonably protracted the final resolution of the matter.
 2. The reason that the taxpayer prevailed is due to an intervening change in the applicable law.
- C. The taxpayer shall present an itemization of the reasonable fees and other costs to the Taxpayer Problem Resolution Officer within thirty (30) days after receipt by the taxpayer of a notice of refund or recalculated assessment issued by the Tax Collector pursuant to Section 3-05-005-0570 B.8. The Taxpayer Problem Resolution Officer shall determine the validity of the fees and other costs within thirty (30) days after receiving the itemization. The Taxpayer Problem Resolution Officer's decision is considered a final decision. Either the taxpayer or the Tax Collector may seek judicial review of the Taxpayer Problem Resolution Officer's decision. An action for judicial review, however, shall not be commenced more than thirty (30) days after receipt of the resolution officer's decision.
- D. In the event judicial review is not sought pursuant to subsection C. above, the City shall pay the fees and other costs awarded as provided in this Section within thirty days after demand by a person who has received an award pursuant to this Section.
- E. Reimbursement to a taxpayer under this Section shall not exceed twenty thousand dollars or actual monies spent, whichever is less. The reimbursable attorney or representative fees shall not exceed one hundred dollars per hour or actual monies spent, whichever is less, unless the Taxpayer Problem Resolution Officer determines that an increase in the cost of living or a special factor such as the limited availability of qualified attorneys or representatives for the proceeding involved justifies a higher fee.
- F. For purposes of this Section "reasonable fees and other costs" means fees and other costs that are based on prevailing market rates for the kind and quality of the furnished services, but not exceeding the amounts actually spent for expert witnesses, the cost of any study, analysis, report, test or project that is found to be necessary to prepare the party's case and necessary fees for attorneys or other representatives. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0580 CRIMINAL PENALTIES:

- A. It is unlawful for any person to knowingly or wilfully:
1. Fail or refuse to make any return required by this Chapter.
 2. Fail to remit as and when due the full amount of any tax or additional tax or penalty and interest thereon.
 3. Make or cause to be made a false or fraudulent return.
 4. Make or cause to be made a false or fraudulent statement in a return, in written support of a return, or to demonstrate or support entitlement to a deduction, exclusion, or credit or to

entitle the person to an allocation or apportionment or receipts subject to tax.

5. Fail or refuse to permit any lawful examination of any book, account, record, or other memorandum by the Tax Collector.
 6. Fail or refuse to remit any tax collected by such person from his customer to the Tax Collector before the delinquency date next following such collection.
 7. Advertise or hold out to the public in any manner, directly or indirectly, that any tax imposed by this Chapter, as provided in this Chapter, is not considered as an element in the price to the consumer.
 8. Fail or refuse to obtain a privilege license or to aid or abet another in any attempt to intentionally refuse to obtain such a license or evade the license fee.
 9. Reproduce, forge, falsify, fraudulently obtain or secure, or aid or abet another in any attempt to reproduce, forge, falsify, or fraudulently obtain or secure, an exemption from taxes imposed by this Chapter.
- B. Reserved.
- C. In addition to the foregoing penalties, any person who shall knowingly swear to or verify any false or fraudulent statement, with the intent aforesaid, shall be guilty of the offense of perjury and on conviction thereof shall be punished in the manner provided by law.

SECTION 3-05-005-0590 CIVIL ACTIONS:

A. Liens:

1. Any tax, penalty, or interest imposed under this Chapter which has become final, as provided in this Chapter, shall become a lien when the City perfects a notice and claim of lien setting forth the name of the taxpayer, the amount of the tax, penalty, and interest, the period or periods for which the same is due, and the date of accrual thereof, the amount of the recording costs by the County Recorder in any county in which the taxpayer owns real property and the documentation and lien processing fees imposed by the City Council and further stating that the City claims a lien therefor.
2. The notice of claim of lien shall be signed by the Administrative Services Director under his official seal or the official seal of the City, and, with respect to real property, shall be recorded in the office of the County Recorder of any county in which the taxpayer owns real property, and, with respect to personal property shall be filed in the office of the Secretary of State. After the notice and claim of lien is recorded or filed, the taxes, penalties, interest and recording costs and lien processing fees referred to above in the amounts specified therein shall be a lien on all real property of the taxpayer located in such county where recorded, and all tangible personal property of the taxpayer within

the State, superior to all other liens and assessments recorded or filed subsequent to the recording or filing of the notice and claim of lien.

3. Every tax and any increases, interest, penalties, and recording costs and lien processing fees referred to above, shall become from the time the same is due and payable a personal debt from the person liable to the City, but shall be payable to and recoverable by the Tax Collector and which may be collected in the manner set forth in subsection B. below.
 4. Any lien perfected pursuant to this Section shall, upon payment of the taxes, penalties, and interest, recording costs and lien processing fees referred to above and lien release fees imposed by the County Recorder in any county in which the lien was recorded, thereby, be released by the Tax Collector in the same manner as mortgages and judgments are released. The Tax Collector may, at his sole discretion, release a lien in part, that is, against only specified property, for partial payment of moneys due the City.
- B. Actions to Recover Tax: An action may be brought by the City Attorney or other legal advisor to the City designated by the City Council, at the request of the Tax Collector, in the name of the City, to recover the amount of any taxes, penalties, interest, recording costs, lien processing fees and lien release fees due under this Chapter; provided that:
1. No action or proceeding may be taken or commenced to collect any taxes levied by this Chapter until the amount thereof has been established by assessment, correction, or reassessment; and
 2. Such collection effort is made or the proceedings begun:
 - a. Within six (6) years after the assessment of the tax; or
 - b. Prior to the expiration of any period of collection agreed upon in writing by the Tax Collector and the taxpayer before the expiration of such six (6) year period, or any extensions thereof; or
 - c. At any time for the collection of tax arising by reason of a tax lien perfected, recorded, or possessed by the City under this Section. (Ord. 1851, 01/03/95)

SECTION 3-05-005-0595 COLLECTION OF TAXES WHEN THERE IS SUCCESSION IN AND/OR CESSATION OF BUSINESS:

- A. In addition to any remedy provided elsewhere in this City Code that may apply, the Tax Collector may apply the provisions of subsections B. through D. below concerning the collection of taxes when there is succession in and/or cessation of business.
- B. The taxes imposed by this Chapter are a lien on the property of any person subject to this Chapter who sells his business or stock of goods, or quits his business, if the person fails to make a final return and payment of the tax within fifteen (15) days after selling or quitting his business.

- C. Any person who purchases, or who acquires by foreclosure, by sale under trust deed or warranty deed in lieu of foreclosure, or by any other method, improved real property or a portion of improved real property for which the privilege tax imposed by this Chapter has not been paid shall be responsible for payment of such tax as a speculative builder or owner-builder, as provided in Sections 3-05-004-0416 and 3-05-004-0417.
- D. A person's successors or assignees shall withhold from the purchase money an amount sufficient to cover the taxes required to be paid, and interest or penalties due and payable, until the former owner produces a receipt from the Tax Collector showing that all City tax has been paid or a certificate stating that no amount is due as then shown by the records of the Tax Collector. The tax collector shall respond to a request from the seller for a certificate within fifteen (15) days by either providing the certificate or a written notice stating why the certificate cannot be issued.
 - 1. If a subsequent audit shows a deficiency arising before the sale of the business, the deficiency is an obligation of the seller and does not constitute a liability against a buyer who has received a certificate from the Tax Collector.
 - 2. If the purchaser of a business or stock of goods fails to obtain a certificate as provided by this Section, he is personally liable for payment of the amount of taxes required to be paid by the former owner on account of the business so purchased, with interest and penalties accrued by the former owner or assignees. (Ord. 1593, 12/06/88)

SECTION 3-05-005-0596 AGREEMENT FOR INSTALLMENT PAYMENTS OF TAX:

- A. The City may enter into an agreement with a taxpayer to allow the taxpayer to satisfy a liability for any tax imposed by this Chapter by means of installment payments. The Tax Collector may require a taxpayer who requests an installment payment agreement to complete a financial report in such form and manner as the Tax Collector may prescribe.
- B. The Tax Collector, without notice, may alter, modify or terminate an installment payment agreement if the taxpayer:
 - 1. Fails to pay an installment at the time the installment payment is due under the agreement.
 - 2. Fails to pay any other tax liability at the time the liability is due.
 - 3. Fails to file any tax report or return at the time the report or return is due.
 - 4. Fails to furnish any information requested by the Tax Collector within thirty days after receiving a written request for such information.
 - 5. Fails to notify the Tax Collector of a material improvement in the taxpayer's financial condition above the income previously reported

in the most recent income statement within thirty days after the material improvement.

6. Provides inaccurate, false or incomplete information to the Tax Collector.
- C. Notwithstanding any installment payment agreement, the Tax Collector may offset any tax refunds against the liabilities provided for in the installment payment agreement, may file and perfect any tax liens and, in the event the taxpayer breaches any term or provision of the installment payment agreement, may engage in collection activities.
- D. The Tax Collector, without notice, may terminate an installment payment agreement if the Tax Collector believes that the collection of tax to which the payment agreement pertains is in jeopardy.
- E. If the Tax Collector determines that the financial condition of a taxpayer has improved, the Tax Collector may alter, modify or terminate the agreement by providing notice to the taxpayer at least thirty days before the effective date of the action. The notice shall include the reasons why the tax collector believes the alteration, modification or termination is appropriate.
- F. An installment payment agreement shall remain in effect for the term of the agreement except as otherwise provided in this Section.
- G. A taxpayer who is aggrieved by a decision of the Tax Collector to refuse to enter into an installment payment agreement or to alter, modify or terminate an agreement entered into pursuant to this Section may petition the Taxpayer Problem Resolution Officer to review that determination. The taxpayer problem resolution officer may stay such alteration, modification or termination pending its review and may modify or nullify the determination.
- H. The City and the taxpayer may modify any installment payment agreement at any time by entering into a new or modified agreement. (Ord. 1924, 01/07/97)

SECTION 3-05-005-0597 PRIVATE TAXPAYER RULINGS; REQUEST; REVOCATION OR MODIFICATION; DEFINITION:

- A. The Tax Collector shall issue private taxpayer rulings to taxpayers and potential taxpayers on request. Each request shall be in writing and shall:
 1. State the name, address and, if applicable, taxpayer identifying number of the taxpayer or potential taxpayer who requests the ruling.
 2. Describe all facts that are relevant to the requested ruling.
 3. State whether, to the best knowledge of the taxpayer or potential taxpayer, the issue or related issues are being considered by the Tax Collector or any other taxing jurisdiction in connection with an active audit, protest or appeal that involves the taxpayer or

potential taxpayer and whether the same request has been or is being submitted to another taxing jurisdiction for a ruling.

4. Be signed by the taxpayer or potential taxpayer who makes the request or by an authorized representative of the taxpayer or potential taxpayer.
- B. A private taxpayer ruling may be revoked or modified by either:
1. A change or clarification in the law that was applicable at the time the ruling was issued, including changes or clarifications caused by regulations and court decisions.
 2. Actual written notice by the Tax Collector to the last known address of the taxpayer or potential taxpayer of the revocation or modification of the private taxpayer ruling.
- C. With respect to the taxpayer or prospective taxpayer to whom a private taxpayer ruling is issued, the revocation or modification of a private taxpayer ruling shall not be applied retroactively to tax periods or tax years before the effective date of the revocation or modification and the Tax Collector shall not assess any penalty or tax attributable to erroneous advice that is furnished to the taxpayer or potential taxpayer in the private taxpayer ruling if:
1. The taxpayer reasonably relied on the private taxpayer ruling.
 2. The penalty or tax did not result either from a failure by the taxpayer to provide adequate or accurate information or from a change in the information.
- D. A private taxpayer ruling may not be relied upon, cited nor introduced into evidence in any proceeding by any taxpayer other than the taxpayer who received the ruling.
- E. A taxpayer may appeal the propriety of a retroactive application of a revoked or modified private taxpayer ruling by filing a written petition with the tax collector pursuant to Section 3-05-005-0570 within forty-five (45) days after receiving written notice of the intent to retroactively apply a revoked or modified private taxpayer ruling.
- F. A private taxpayer ruling constitutes the Tax Collector's interpretation of the sections of this chapter only as they apply to the taxpayer making, and the particular facts contained in, the request.
- G. A private taxpayer ruling which addresses a taxpayer's ongoing business activities will apply only to transactions that occur or tax liabilities that accrue from and after the date of the taxpayer's ruling request.
- H. The Tax Collector shall attempt to issue private taxpayer rulings within forty-five (45) days after receiving the written request and on receiving the facts that are relevant to the ruling. If the ruling is expected to be delayed beyond the forty-five (45) days, the Tax Collector shall notify the requestor of the delay and the proposed date of issuance.
- I. Within thirty (30) days after being issued, the Tax Collector shall maintain the private taxpayer ruling as a public record and make it

available at a reasonable cost for public inspection and copying. The text of private taxpayer rulings are open to public inspection subject to the confidentiality requirements prescribed by section 3-05-005-0510.

- J. In this Section, "private taxpayer ruling" means a written determination by the Tax Collector issued pursuant to this Section that interprets and applies one or more sections contained in this Chapter and any applicable regulations.
- K. A private taxpayer ruling issued by the Arizona Department of Revenue pursuant to A.R.S. Section 42-139.21 may be relied upon by the taxpayer to whom the ruling was issued and must be recognized and followed by any city in which such taxpayer has obtained a privilege license if the City has not issued a ruling addressing the facts described in the taxpayer's ruling request and the statute at issue in the taxpayer's ruling request is, in essence, worded and written the same as the applicable section hereunder. DIVISION 3-05-007
REGULATIONS-PRIVILEGE AND EXCISE TAXES

SECTIONS:

3-05-007-0001 **REGULATIONS-PRIVILEGE AND EXCISE TAXES:**

SECTION 3-05-007-0001 REGULATIONS-PRIVILEGE AND EXCISE TAXES:

Reg. 3-5-100.1. BROKERS:

- (a) For the purposes of proper administration of this Chapter and to prevent evasion of taxes imposed, brokers shall be wherever necessary treated as taxpayers for all purposes, and shall file a return and remit the tax imposed on the activity on behalf of the principal. No deduction shall be allowed for any commissions or fees retained by such broker, except as provided in Section 3-05-004-0405, relating to advertising commissions.
- (b) Brokers for vendors. A broker acting for a seller, lessor, or other similar person deriving gross income in a category upon which this Chapter imposes a tax shall be liable for such tax, even if his principal would not be subject to the tax if he conducted such activity in his own behalf, by reason of the activity being deemed a "casual" one. For example:
 - (1) An auctioneer or other sales agent of tangible personal property is subject to the tax imposed upon retail sales, even if such sales would be deemed "casual" if his principal had sold such items himself.
 - (2) A property manager is subject to the tax imposed upon rental, leasing, or licensing of real property, even if such rental, leasing, or licensing would be deemed "casual" if his principal managed such real property himself.
- (c) Brokers for vendees. A broker acting solely for a buyer, lessee, tenant, or other similar person who is a party to a transaction which may be subject to the tax, shall be liable for such tax and for filing a return in connection with such tax only to the extent his principal is subject to the tax.
- (d) The liability of a broker does not relieve the principal of liability except upon presentation to the Tax Collector of proof of payment of the tax, and only to the extent of the correct payment. The broker shall be relieved of the responsibility to file and pay taxes upon the filing and correct payment of such taxes by the principal.
- (e) Reserved.
- (f) Location of Business. Retail sales by brokers acting for another person shall be deemed to have occurred at the regular business location of the broker, in a manner similar to that used to determine "out-of-City sales"; provided, however, that an auctioneer is deemed to be engaged in business at the site of each auction.

Reg. 3-5-100.2. DELIVERY, INSTALLATION, OR OTHER DIRECT CUSTOMER SERVICES:

- (a) "Delivery Charges" exist only when the total charges to the ultimate customer or consumer include, as separately charged to the ultimate customer, charges for delivery to the ultimate consumer, whether the place of delivery is within or without the City, and when the taxpayer's books and records show the separate delivery charges.
 - (1) Identification to the customer or consumer that the listed price has "delivery included" or other similar expression is insufficient to show the delivery as a separate charge. Only the separately stated charge for the delivery shall be deemed a "delivery charge".
 - (2) Freight in. Charges for delivery from place of production or the manufacturer to the vendor either directly or through a chain of wholesalers or jobbers or other middlemen are deemed "freight-in" and are not considered delivery.
- (b) "Installation", as used in this definition, relates only to tangible personal property. Installation to real property is deemed construction contracting in this Chapter. Examples of installation relating to tangible personal property are: installing a radio in an automobile; applying sun screens on the windows of a boat; installing cabinets, carpeting, or "built-in appliances" to a camper or motorized recreational vehicle.
- (c) Repair of tangible personal property is not included in this definition. See Regulation 3-5-465.(1)
- (d) "Direct Customer Services" means services other than repair rendered directly to the customer. Services or labor provided by any person prior to the transfer of tangible personal property to the customer or consumer are not included in this definition. In the following examples, the requirements of subsection (e) below are referred to by the words "identify" or "identification."
 - (1) A retailer sells a customer a \$100 "plug-in" appliance, with a \$25 delivery and installation charge. If the retailer identifies the \$25 delivery and installation charge, it is a charge for direct customer services.
 - (2) A caterer charges his customer \$1,000 for the food and drink served, \$300 for setup and site cleanup, and \$500 for bartender and waiters. If all charges are properly identified, only the \$300 for set up and cleanup is a charge for direct customer services, and the \$1,500 for food and service is restauranting gross income.
 - (3) Persons engaged in engraving on wood, metal, stone, etc. or persons engaged in retouching photographs or paintings may consider such charges for labor as direct customer services.
 - (4) All charges by a photographer resulting in the sale of a photograph (sitting charges, developing, making enlargements, retouching, etc.) for services that occur prior to transfer of tangible personal property are not direct customer services.

- (5) An equipment rental company charging \$25 for delivery may consider such delivery charge as a charge for direct customer service only if such charge is properly identified.
 - (6) Even if identified, charges for labor incurred in the production of any manufactured article or of a custom-made article (jewelry, artwork, tailoring, draperies, etc.) are not included in this definition, as such labor occurs prior to the transfer of property.
- (e) Recordkeeping requirements.
- (1) Any person who engages in transactions involving these services must:
 - (A) Separately bill, invoice, or charge the customer for such services in a manner by which the customer or consumer may readily identify the specific dollar amount of the service charge; and
 - (B) Maintain business books and records in a manner in which the separate charge for such services can be clearly identified, to the satisfaction of the Tax Collector.
 - (2) Rendering a statement to a customer for a transaction involving such services and the transfer of tangible personal property which only indicates the total amount of the charges with words such as "services included" or "charge includes labor and parts" or similar a expression does not satisfy the requirements of this subsection.

Reg. 3-5-100.3. RETAILERS:

When in the opinion of the Tax Collector it is necessary for efficient administration of this Chapter, he may regard any salesman, representative, peddler, canvasser, or agent of any dealer, distributor, supervisor, or employer under whom he operates or from whom he obtains tangible personal property for sale, rental, lease, or license as a retailer for the purposes of this Chapter, irrespective of whether he is making sales, rentals, leases, or licenses on his own behalf or on behalf of others. The Tax Collector may also regard such dealer, distributor, supervisor, or employer as a retailer for the purposes of this Chapter.

Reg. 3-5-100.4. OUT-OF-CITY/OUT-OF-STATE SALES: SALES TO NATIVE AMERICANS:

- (a) Sales to Native Americans or tribal councils by vendors located within the City shall be deemed sales within the City, unless all of the following conditions exist:
 - (1) The vendor has properly accounted for such sales, in a manner similar to the recordkeeping requirements for out-of-City sales; and,
 - (2) All of the following elements of the sale exist:
 - (A) Solicitation and placement of the order occurs on the reservation; and
 - (B) Delivery is made to the reservation; and

(C) Payment originates from the reservation.

Reg. 3-5-115.1. COMPUTER HARDWARE, SOFTWARE, AND DATA SERVICES:

(a) Definitions.

- (1) "Computer Hardware" (also called "computer equipment" or "peripherals") is the components and accessories which constitute the physical computer assembly, including but not limited to: central processing unit, keyboard, console, monitor, memory unit, disk drive, tape drive or reader, terminal, printer, plotter, modem, document sorter, optical reader and/or digitizer, network.
- (2) "Computer Software" (also called "computer program") is tangible personal property, and includes:
 - (A) "Operating Program (Software)" (also called "executive program (software)"), which is the programming system or technical language upon which or by means of which the basic operating procedures of the computer are recorded. The operating program serves as an interface with user applied programs and allows the user to access the computer's processing capabilities.
 - (B) "Applied Program (Software)", which is the programming system or technical language (including the tape, disk, cards, or other medium upon which such language or program is recorded) designed either for application in a specialized use, or upon which or by means of which a plan for the solution of a particular problem is based. Typically, applied programs can be transferred from one computer to another via storage media. Examples of applied programs include: Payroll processing, general ledger, sales data, spreadsheet, word processing, and data management programs.
- (3) "Storage Medium" is any hard disk, compact disk, floppy disk, diskette, diskpack, magnetic tape, cards, or other medium used for storage of information in a form readable by a computer, but not including the memory of the computer itself.
- (4) A "Terminal Arrangement" (also called "'on-line' arrangement") is any agreement allowing access to a remote central processing unit through telecommunications via hardware.
- (5) A "Computer Services Agreement" (also called "data services agreement") is an agreement allowing access to a computer through a third-party operator.

- (b) For the purposes of this Chapter, transfer of title and possession of the following are deemed sales of tangible personal property and any other transfer of title, possession, or right to use for a consideration of the following is deemed rental, leasing, or licensing of tangible personal property:

- (1) Computer hardware or storage media. Rental, leasing, or licensing for use of computer hardware or storage media includes the lessee's use of such hardware or storage media on the lessor's premises.
- (2) Computer software which is not custom computer programming. Such prewritten ("canned") programs may be transferred to a customer in the form of punched cards, magnetic tape, or other storage medium, or by listing the program instructions on coding sheets. Transfer is deemed to have occurred whether title to the storage medium upon which the program is recorded, coded, or punched passes to the customer or the program is recorded, coded, or punched on storage medium furnished by the customer. Gross income from the transfer of such prewritten programs includes:
 - (A) The entire amount charged to the customer for the sale, rental, lease, or license for use of the storage medium or coding sheets on which or into which the prewritten program has been recorded, coded, or punched.
 - (B) The entire amount charged for the temporary transfer or possession of a prewritten program to be directly used or to be recorded, coded, or punched by the customer on the customer's premises.
 - (C) License fees, royalty fees, or program design fees; any fee present or future, whether for a period of minimum use or of use for extended periods, relating to the use of a prewritten program.
 - (D) The entire amount charged for transfer of a prewritten ("canned") program by remote telecommunications from the transferor's place of business to or through the customer's computer.
 - (E) Any charge for the purchase of a maintenance contract which entitles the customer to receive storage media on which prewritten program improvements or error corrections have been recorded or to receive telephone or on-site consultation services, provided that:
 - (i) if such maintenance contract is not optional with the customer, then the charges for the maintenance contract, including the consultation services, are deemed gross income from the transfer of the prewritten program.
 - (ii) if such maintenance contract is optional with the customer but the customer does not have the option to purchase the consultation services separately from the storage media containing the improvements or error corrections, then the charges for the maintenance contract, including the consultation services, are deemed gross income from the transfer of the prewritten program.
 - (iii) if such maintenance contract is optional with the customer and the customer may purchase the consultation

services separately from the storage media containing the improvements or error corrections, then only the charges for such improvements or error corrections are deemed gross income from the transfer of a prewritten program and charges for consultation are deemed to be charges for professional services.

- (c) Producing the following by means of computer hardware is deemed to be the activity of job printing for the purposes of this Chapter:
 - (1) Statistical reports, graphs, diagrams, microfilm, microfiche, photorecordings, or any other information produced or compiled by a computer; except as provided in subsection (e) below.
 - (2) Additional copies of records, reports, manuals, tabulations, etc. "Additional Copies" are any copies in excess to those produced simultaneously with the production of the original and on the same printer, whether such copies are prepared by running the same program, by using multiple printers, by looping the program, by using different programs to produce the same output, or by other means.
- (d) Charges for the use of communications channel in conjunction with a terminal arrangement or data services agreement are deemed gross income from the activity of providing telecommunication services.
- (e) The following transactions are deemed direct customer services, provided that charges for such services are separately stated and maintained as provided by Regulation 3-5-100.2 (e):
 - (1) "Custom (Computer) Programming", which is any computer software which is written or prepared for a single customer, including those services represented by separately stated charges for the modification of existing prewritten programs.
 - (A) Customer computer programming is deemed a professional service regardless of the form in which the programming is transferred.
 - (B) Custom programming includes such programming performed in connection with the sale, rental, lease, or license for use of computer hardware, provided that the charges for such are separately stated from the charges for the hardware.
 - (C) Custom computer programming includes a program prepared to the special order of a customer who will use the program to produce copies of the program for sale, rental, lease, or license. The subsequent sale, rental, lease, or license of such a program is deemed the sale, rental, lease, or license of a prewritten program.
 - (2) Training services related to computer hardware or software, provided further that:
 - (A) The provider of such training services is deemed the ultimate consumer of all tangible personal property used in training

others or provided to such trainees without separately itemized charge for the materials provided.

(B) Training deemed a direct customer service does not include:

- (i) training materials, books, manuals, etc. furnished to customers for a charge separate from the charge for training services.
 - (ii) training provided to customers without separate charge as part of the sale, rental, lease, or license of computer hardware or software, or as part of a terminal arrangement or data services agreement.
- (3) The use of computer time through the use of a terminal arrangement or a data service agreement, but not charges for computer hardware located at the customer's place of business (for example, the terminal, a printer attached to the terminal, a modem used to communicate with the remote central processing unit over a telephone line).
- (4) Compiling and producing, as part of a terminal arrangement or computer services agreement, original copies of statistical reports, graphs, diagrams, microfilm, microfiche, photorecordings, or other information for the same person who supplied the raw data used to create such reports.

(f) Reserved.

Reg. 3-5-120.1. FOOD FOR HOME CONSUMPTION: RECORDKEEPING AND REPORTING REQUIREMENTS:

(a) Reporting. Such persons who sell food for home consumption shall, in conjunction with the return required pursuant to Section 3-05-005-0520, report to the Tax Collector in a manner prescribed by the Tax Collector all sales of food for home consumption exempted from taxes imposed by this Chapter.

(b) Recordkeeping.

- (1) Retailers shall maintain accurate, verifiable, and complete records of all purchases and sales of tangible personal property in order to verify exemptions from taxes imposed by this Chapter. A retailer may use any method of reporting that properly reflects all purchases and sales of food for home consumption, as well as all purchases and sales of items subject to taxes imposed by this Chapter, provided that such records are maintained in accordance with Article III, and regulations of the Tax Collector.
- (2) Any person who fails to maintain records as provided herein shall be deemed to have had no sales of food for home consumption, and if upon request by the Tax Collector, a person cannot demonstrate to the Tax Collector that such records and reports do properly reflect all sales of food for home consumption, the Tax Collector may recompute the amount of tax to be paid as provided in Sections 3-05-003-0370 and 3-05-005-0545 (b)

Reg. 3-5-200.1. WHEN DEPOSITS ARE INCLUDABLE IN GROSS INCOME:

- (a) Refundable deposits shall be includable as gross income of the taxpayer for the month in which the deposits are forfeited by the lessee.
- (b) Reserved.

Reg. 3-5-250.1. EXCESS TAX COLLECTED:

If a taxpayer collects taxes in excess of the combined tax from any customer in any transaction, all such excess tax shall be paid to the taxing jurisdictions in proportion to their effective rates. The right of the taxpayer to charge his customer for his own liability for tax does not allow the taxpayer to enrich himself at the cost of his customers.

Reg. 3-5-270.1. PROPRIETARY ACTIVITIES OF MUNICIPALITIES ARE NOT CONSIDERED ACTIVITIES OF A GOVERNMENTAL ENTITY:

The following activities, when performed by a municipality, are considered to be activities of a person engaged in business for the purposes of this Chapter, and not excludable by reason of Section 3-05-002-0270:

- (a) Rental, leasing, or licensing for use of real property to other than another department or agency of the municipality.
- (b) Producing, providing, or furnishing electricity, electric lights, current, power, gas (natural or artificial), or water to consumers or ratepayers.

Ordinary business documentation which would reasonably indicate the applicability of an exemption shall be sufficient to relieve the person on whom the tax would otherwise be imposed from liability therein, if he acts in good faith as provided by Regulation.
- (e) With respect to those allowed deductions or exclusions for tax collected or charges for delivery or other direct customer services, where applicable, evidence that the deductible income has been separately stated and shown on the records of the taxpayer and on invoices or receipts provided to the customer. All other deductions, exemptions, and exclusions shall be separately shown and substantiated.
- (f) With respect to special classes and activities, such other books, records, and documentation as the Tax Collector, by regulation, shall deem necessary for specific classes of taxpayer by reason of the specialized business activity of any such class.
- (g) In all cases, the books and records of the taxpayer shall indicate both individual transaction amounts and totals for each reporting period for each category of taxable, exempt, and excluded income defined by this Chapter.

Reg. 3-5-350.2. RECORDKEEPING: EXPENDITURES:

Reg. 3-5-350.3. RECORDKEEPING: OUT-OF-CITY AND OUT-OF-STATE SALES:

 - (2) Documentation of residency of the buyer, determined in the manner one determines if a person "resides within the City"; and
 - (3) Shipping, delivery, or freight documents showing where the buyer took delivery; and
 - (4) Documentation of intended location of use or storage of the tangible personal property sold to such buyer.

Reg. 3-5-360.1. PROOF OF EXEMPTION: SALE FOR RESALE; SALE, RENTAL, LEASE, OR LICENSE OF RENTAL EQUIPMENT:

A claim of purchase for resale or of purchase, rental, lease, or license for rent, lease, or license is valid only if the evidence is sufficient to persuade a reasonably prudent businessman that the particular item is being acquired for resale or for rental, lease, or license in the ordinary course of business. The fact that the acquiring person possesses a Privilege License number, and makes a verbal claim of "sale for resale or lease" or "lease for re-lease" does not meet this burden and is insufficient to justify an exemption. The "reasonable evidence" must be evidence which exists objectively, and not merely in the mind of the vendor, that the property being acquired is normally sold, rented, leased, or licensed by the acquiring person in the ordinary course of business. Failure to obtain such reasonable evidence at the time of the transaction will be a basis for disallowance of any claimed deduction on returns filed for such transactions.

Reg. 3-5-360.2. PROOF OF EXEMPTION: EXEMPTION CERTIFICATE:

For the purpose of proof of exemption, in transactions other than those in which the proof is set by standard documentation as detailed in Regulations 3-5-350.1 and 3-5-360.1, the minimum acceptable proof and documentation for each transaction shall be the completion, at the time of the transaction, in all material respects, of a certificate containing all the information set forth below (see Sales Tax Division for form). For the purpose of validating the vendor's claim of exemption, such certificate is sufficient if executed by any person with apparent authority to act for the customer, and the information provided validates the claim.

Reg. 3-5-405.1. LOCAL ADVERTISING EXAMPLES:

- (4) Health care facilities located within the State.

Remote studios patched to an in-City studio and subject to engineering modulation or control at the in-City studio are considered studios doing business in the City.
- (b) Billboards and other outdoor advertising companies shall be considered to be doing business within the City to the extent they have billboards or similar displays within the City.
- (c) Publishers and distributors of newspaper and other periodicals shall be subject to the tax upon advertising imposed by Section 3-05-004-0405 and such tax shall be allocated in the manner prescribed by subsection (e) of Section 3-05-005-0435.

Reg. 3-5-407.1. RESERVED:

Reg. 3-5-415.1. DISTINCTION BETWEEN THE CATEGORIES OF CONSTRUCTION CONTRACTING:

For the purposes of this Chapter, transactions involving improvements to, or sales of, real property are designated into one of the following categories, and these categorizations shall apply, whether or not a person designates himself as a contractor, construction manager, developer, or otherwise:

(a) A person performing improvements to real property is one of the following:

- (1) An "Owner-Builder" when the work is performed by the owner or lessor or lessee-in-possession. An "owner-builder" may also be a "speculative builder".
- (2) A "Construction Contractor" when performing work for the owner or lessor or lessee-in-possession of the real property, unless that person has provided a written declaration stating that:
 - (A) The owner-builder is improving the property for sale; and

(B) The owner-builder is liable for the tax for such construction contracting activity; and

(C) The owner-builder has provided the contractor his city Privilege License number.

(3) A "Subcontractor" as provided in Section 3-05-004-0415 (c)

(b) An owner or lessor ("owner-builder") of improved real property is one of the following:

(1) A "Speculative Builder" as provided in Section 3-05-001-0100; or

(2) An "owner-builder who is not a speculative builder" in all other cases.

(c) The terms "owner", "lessor", and "lessee-in-possession" shall be deemed to include any authorized agent for such person.

Reg. 3-5-415.2. DISTINCTION BETWEEN CONSTRUCTION CONTRACTING AND CERTAIN RELATED ACTIVITIES:

(a) Certain rentals, leases, and licenses for use in connection with construction contracting. Rental, leasing, or licensing of earthmoving equipment with an operator shall be deemed construction contracting activity. Rental, leasing, or licensing of any other tangible personal property (with or without an operator) or of earthmoving equipment without an operator shall be deemed rental, leasing, or licensing of tangible personal property. For example:

(1) Rental of a backhoe, bulldozer, or similar earthmoving equipment with operator is construction contracting. Rental of these items without an operator is rental of tangible personal property.

(2) Rental of scaffolding, temporary fences, or barricades is rental of tangible personal property.

(3) Rental of pumps or cranes is rental of tangible personal property, whether or not an operator is provided with the equipment rented.

(b) Distinction between construction contracting, retail, and certain direct customer service activities.

(1) When an item is attached or installed on real property, it is a construction contracting activity and any subsequent repair, removal, or replacement of that item is construction contracting.

(2) Items attached or installed on tangible personal property are retail sales.

(3) Transactions where no tangible personal property is attached or installed are considered direct customer service activities (for example: carpet cleaning, lawn mowing, landscaping maintenance).

(4) Demolition, earth moving, and wrecking activities are considered construction contracting.

- (c) Sale of consumable goods incorporated into or applied to real property is considered a retail sale and not construction contracting. Examples of consumable goods are lubricants, faucet washers, and air conditioning coolant, but not paint.
- (d) Installation or removal of tangible personal property which has independent functional utility is considered a retail activity.
 - (1) "Tangible personal property which has independent functional utility" must be able to substantially perform its function(s) without attachment to real property. "Attachment to real property" must include more than connection to water, power, gas, communication, or other service.
 - (2) Examples of tangible personal property which has independent functional utility include artwork, furnishings, "plug-in" kitchen equipment, or similar items installed by bolts or similar fastenings.
 - (3) Examples of tangible personal property which does not have independent functional utility include wall-to-wall carpeting, flooring, wallpaper, kitchen cabinets, or "built-in" dishwashers or ranges.
 - (4) The installation of window coverings (drapes, mini-blinds, etc.) is always a retail activity.

Reg. 3-5-416.1. SPECULATIVE BUILDERS: HOMEOWNER'S BONA FIDE NON-BUSINESS SALE OF A FAMILY RESIDENCE:

- (a) A sale of a custom home, regardless of the stage of completion of such home shall be considered a "homeowner's bona fide non-business sale" and not subject to the tax on speculative builders if:
 - (1) The property was actually used as the principal place of family residence or vacation residence by the immediate family of the seller for the six (6) months next prior to the offer for sale; and
 - (2) The seller has not sold more than two (2) such residences (or, if the residence is a vacation residence, two (2) such vacation residences) within the thirty-six (36) months immediately prior to the offer for sale; and
 - (3) The seller has not licensed, leased, or rented the sold premises for any period within twenty-four (24) months prior to the offer for sale.
- (b) In the event that a homeowner of a family residence contracts with a licensed construction contractor for improvements to a residence, the construction contracting on a family residence shall be presumed to be for an owner's bona fide non-business purpose and all construction contractors shall be required to report and pay the tax imposed on all such improvements.
- (c) Purchases by a homeowner of tangible personal property for inclusion in any construction, alteration, or repair of his residence shall be subject to tax as retail sales to the ultimate consumer.

- (d) "Owner" and "Homeowner" as used in this Regulation shall only mean an individual, and no other entity, association, or representative shall qualify; except that an administrator, executor, personal representative, or guardian in guardianship or probate proceedings, for the estate of a deceased or incompetent person or a minor, may claim "homeowner" status for such person if such person would have otherwise qualified with respect to the specific property involved.

Reg. 3-5-416.2. RECONSTRUCTION CONTRACTING:

- (a) "Reconstruction (of Real Property)" shall mean the subdividing of real property and, in addition, all construction contracting activities performed upon said real property; provided, however, that each of the following conditions are met:
- (1) A structure existed on said real property prior to the reconstruction activity; and
 - (2) The "prior value" of said structure exceeds fifteen percent (15%) of the "prior value" of the integrated property (land, improvements, and structure); and
 - (3) The total cost of all construction contracting activities performed on said real property in the twenty-four (24) month period prior to the sale of any part of the real property exceeds fifteen percent (15%) of the "prior value" of the real property; and
 - (4) The structure which existed on the real property prior to the reconstruction activity still exists in some form upon the property, and is included, in whole or in part, in the property sold.
- (b) Except as provided in subsection (c) below, "prior value" means the value of the total integrated property, with improvements, as existing immediately prior to any reconstruction activity. where, according to Title 42 of the Arizona Revised Statutes, a property's full cash value for secondary tax purposes is intended to represent the property's fair market value, "prior value" shall be the property's full cash value for secondary property tax purposes as determined by the County Assessor in the year immediately preceding the year in which the reconstruction improvement(s) are or could have been included in the County Assessor's valuation. If the County Assessor's valuation is contested or appealed, the final determination at either the administrative or judicial level shall apply. Where, according to Title 42 of the Arizona Revised Statutes, a property's full cash value for secondary property tax purposes is not intended to represent the property's fair market value, "prior value" shall be the property's fair market value prior to the reconstruction improvement(s).
- (c) "Alternative Prior Value" shall mean that as an alternative to the "prior value" defined above, the taxpayer may use his actual cost of the reconstructed property prior to reconstruction, provided that evidence of such cost is presented to the Tax Collector and is determined by the Tax Collector, in his sole discretion, to be satisfactory. Such evidence shall consist, at a minimum, of proof of the actual, arms-length acquisition price, accompanied by a full appraisal of all property

involved which appraisal shall have been performed by a real estate broker or MAI appraiser specifically for the purpose of assisting in the acquisition and further shall have been performed on behalf of the seller or a lending institution which has lent at least sixty-five percent (65%) of the acquisition price. (Only long term lending - not interim or construction financing will be considered.) This alternative value shall be used only if the property was acquired by the reconstruction taxpayer not more than thirty-six (36) months prior to a "sale" as defined below.

- (d) A "sale" for the purpose of determining "alternative prior value" or "reconstruction" only shall be deemed to have occurred as of the date of the execution of a contract of sale or a deed (joint tenancy or warranty) whichever is earlier, to a purchaser or grantee of any single residential or other occupancy unit. In addition to the foregoing, a lease with option to purchase a single residential unit shall be considered a "sale" at the date of execution of such lease if said option is exercisable by the lessee in not later than nine (9) months. Further in the case of cooperative apartments, the sale date shall be the date of execution of the contract selling (subject or not to encumbrances, liens or security interests) of a share, or a sufficient number of shares which entitle the purchaser to the occupancy of a residential unit. In all cases a person shall include a husband and wife as a community, or any co-occupants of a single unit as joint tenants.

Reg. 3-5-425.1. DISTINCTION BETWEEN JOB PRINTING AND CERTAIN RELATED ACTIVITIES:

- (a) Computerized Printing. Computerized versions of all items which would be taxable under Section 3-05-004-0425 if performed without computerized assistance are considered taxable under that Section, and therefore, are not exempt services.
- (b) Book publishing. The printing of books shall be deemed job printing. Sales of books shall be deemed retail sales.
- (c) Publication of newspapers, magazines, or other periodicals shall not be considered job printing for the purposes of this Chapter.

Reg. 3-5-435.1. DISTINCTION BETWEEN PUBLISHING OF PERIODICALS AND CERTAIN RELATED ACTIVITIES:

- (a) Book publishing shall not be considered publication of newspapers, magazines, or other periodicals for purposes of this Chapter. Sales of books shall be deemed retail sales. The printing of books shall be deemed job printing.
- (b) Publication of newspapers, magazines, or other periodicals shall not be considered job printing for the purposes of this Chapter.

Reg. 3-5-435.2. ADVERTISING INCOME OF PUBLISHERS AND DISTRIBUTORS OF NEWSPAPERS AND OTHER PERIODICALS:

Publishers and distributors of newspapers and other periodicals shall be subject to the tax upon advertising imposed by Section 3-05-004-0405 and such tax shall be allocated in the manner prescribed by subsection (e) of Section 3-05-004-0435.

Reg. 3-5-445.1. WHEN THE RENTAL, LEASING, AND LICENSING OF REAL PROPERTY IS EXEMPT AS "CASUAL":

(a) Reserved.

(b) For the purposes of this subsection (b) only, the term "rent" shall include "lease" and "license for use". For the purposes of determining if a single-unit/single-tenant commercial rental is "casual", the following provisions shall apply:

- (1) A "unit" of real property means any single real property location, or any portion, rented to a single tenant. For example:
 - (A) A three-story office building leased to a company as sole and single tenant is considered one unit of property.
 - (B) A building where individual spaces are rented to two (2) or more individuals, even though members of the same profession or business, on separate leases, is deemed two (2) or more units.
 - (C) A building owner who leases out a portion of that building to another has two (2) units of property rented or available for rent.
- (2) "Commercial" property is any real property, or portion of such property, used for any purpose other than lodging or lodging space, including structures built for lodging but used otherwise, such as model homes, apartments used as offices, etc.
- (3) If a person has one (1) unit of commercial property rented or available for rent, and has one or more "lodging spaces" also rented or available for rent, he shall be considered in the business of rental of real property, and may not claim the rental of his single unit of commercial property as "casual".
- (4) Income from a source in connection with the rental of real property, such as income for maintenance or service charges to the tenant, is not "income from another source".
- (5) "Income from another source" must be of an amount to indicate that the property is clearly held for investment. Minimal amounts received as interest from savings accounts, and the like, do not qualify.
- (6) A corporation, or a partnership comprising other than individual members of the same immediate family, is considered to be in business, and therefore even if it has only one unit of real property rented or available for rent, it cannot be deemed to have made a non-business investment, and cannot claim such rental as "casual".
- (7) Note that there are four (4) conditions for rental of commercial real property to be deemed "casual activity", which must all be met. They are, in brief:

- (A) The lessor has only one unit of commercial property rented or available for rent, counting any commercial property he occupies, if any; and
- (B) The lessor has no lodging rented or available for rent; and
- (C) The lessor has significant income from another source; and
- (D) The scope of the rental activity is clearly a non-business investment.

Reg. 3-5-445.3. RENTAL, LEASING, AND LICENSING OF REAL PROPERTY AS LODGING:
ROOM AND BOARD; FURNISHED LODGING:

(a) Room and board.

- (1) Rooming houses, lodges, or other establishments providing both lodging and meals, shall maintain a record of the separate charges made for the lodging and the meals.
- (2) The charge for lodging shall be subject to the tax imposed by Section 3-05-004-0444 or Section 3-05-004-0445. The charge for meals is subject to the tax upon restaurants and bars prescribed by Section 3-05-004-0455.

(b) Furnished lodging. A person who provides lodging with furnishings shall be deemed to be only in the business of rental, leasing, and licensing of lodging, and not in the business of rental, leasing, and licensing of such furnishings as tangible personal property, unless:

- (1) Any tenant of any lodging space may choose to rent, lease, or license such lodging space either furnished or unfurnished; and
- (2) The lessor separately charges tenants for lodging and for furnishings; and
- (3) The lessor separately maintains his gross income from lodging and from furnishings separately in his accounting books and records.

If all of the above conditions are met, such person shall report both sources of income separately to the City.

Reg. 3-5-447.1. RESERVED:

Reg. 3-5-450.1. DISTINCTION BETWEEN RENTAL, LEASING, AND LICENSING FOR USE OF
TANGIBLE PERSONAL PROPERTY AND CERTAIN RELATED ACTIVITIES:

- (a) Certain rentals, leases, and licenses for use in connection with construction contracting. Rental, leasing, or licensing of earthmoving equipment with an operator shall be deemed construction contracting activity. Rental, leasing, or licensing of any other tangible personal property (with or without an operator) or of earthmoving equipment without an operator shall be deemed rental, leasing, or licensing of tangible personal property. For example:

- (1) Rental of a backhoe, bulldozer, or similar earthmoving equipment with operator is construction contracting. Rental of these items without an operator is rental of tangible personal property.
 - (2) Rental of scaffolding, temporary fences, or barricades is rental of tangible personal property.
 - (3) Rental of pumps or cranes is rental of tangible personal property, regardless of whether or not an operator is included with the equipment rented.
- (b) Distinction between equipment rental, leasing, or licensing for use and transporting for hire. The hiring of mobile equipment (cranes, airplanes, limousines, etc.) is considered rental, leasing, or licensing of tangible personal property whenever the charge is for a fixed sum or hourly rate. By comparison, the activity of a common carrier conveying goods or persons for a fee based upon distance, and not time, shall be considered transporting for hire.

Reg. 3-5-450.2. RENTAL, LEASING, AND LICENSING FOR USE OF TANGIBLE PERSONAL PROPERTY: MEMBERSHIP FEES; OTHER CHARGES:

- (a) Membership, admission, or other fees charged by any rental club or limited access lessor are considered part of taxable gross income.
- (b) Gross income from rental, leasing, or licensing for use of tangible personal property must include all charges by the lessor to the lessee for repair, maintenance, or other service upon the tangible personal property rented, leased, or licensed.
- (c) Sale of a warranty, maintenance, or service contract as a requirement of, or in conjunction with, a rental, leasing, or licensing contract is exempt.

Reg. 3-5-450.3. RENTAL, LEASING, AND LICENSING FOR USE OF EQUIPMENT WITH OPERATOR:

In cases where the tangible personal property is rented, leased, or licensed with an operator provided by the lessor, the charge for the operator shall not be includable in the gross income from the rental, lease, or license of such tangible personal property if the charge for the operator and the charge for the use of the equipment are separately itemized to the lessee and separately maintained on the books and records of the lessor.

Reg. 3-5-450.4. RENTAL, LEASING, AND LICENSING FOR USE OF TANGIBLE PERSONAL PROPERTY: SEMI-PERMANENTLY OR PERMANENTLY INSTALLED TANGIBLE PERSONAL PROPERTY:

- (a) The term "semi-permanently or permanently installed" means that the item of tangible personal property has and is expected to have at the time of installation a permanent location at the site installed, as under a long-term lease agreement, except that the person using or applying said property may eventually replace it because it has become worn out or has become obsolete or the person ceases to have the right to possession of said property.

- (b) An item of tangible personal property is deemed permanently installed if its installation requires alterations to the premises.
- (c) Examples of "semi-permanently or permanently installed tangible personal property" include, but are not limited to: Computers, duplicating machines, furniture not of portable design, major appliances, store fixtures.
- (d) The term does not include mobile transportation equipment or tangible personal property designed for regular use at different locations or customarily used at different locations, as under numerous short-term rental, lease, or license agreements, whether or not such property is in fact so used.
 - (1) For example, use of a mobile crane, trencher, automobile, or other similar equipment shall be considered a rental, lease, or license transaction subject to taxation only by the city or town in which such business office of the lessor is based.
 - (2) Other similar examples include, but are not limited to: camping equipment, contracting equipment, chain saw, forklift, household items, invalid needs, janitorial equipment, reducing equipment, furniture of portable design, trucks or trailers, tools, towbars, sump pumps, arc welders.
- (e) A rental, lease, or license agreement which specifies that the item in question shall remain, under the terms of the agreement, located within the same city or town for more than one hundred eighty (180) consecutive days shall be sufficient evidence that such rented, leased, or licensed item is "permanently or semi-permanently installed" in said city or town, except when the item is mobile transportation equipment or one of the other types of portable equipment or property described in subsection (d) above.

Reg. 3-5-450.5. RENTAL, LEASING, AND LICENSING FOR USE OF TANGIBLE PERSONAL PROPERTY: DELIVERY, INSTALLATION, REPAIR, AND MAINTENANCE CHARGES:

- (a) Delivery and installation charges in connection with the rental, leasing, and licensing of tangible personal property are exempt from the tax imposed by Section 3-05-004-0450; provided that the provisions of Regulation 3-5-100.2 have been met.
- (b) Gross income from the sale of a warranty, maintenance, or similar service contract in connection with the rental, leasing, and licensing of tangible personal property shall be exempt:

 - (9) Utility services, per Section 3-05-004-0480.
- (b) Distinction between construction contracting, retail, and certain direct customer service activities.
 - (1) When an item is attached or installed on real property, it is a construction contracting activity and any subsequent repair, removal, or replacement of that item is construction contracting.
 - (2) Items attached or installed on tangible personal property are retail sales.
 - (3) Transactions where no tangible personal property is attached or installed are considered direct customer service activities (for example: carpet cleaning, lawn mowing, landscape maintenance).

- (4) Demolition, earth moving, and wrecking activities are considered construction contracting.
- (c) The sale of sand, rock, and gravel extracted from the ground shall be deemed a sale of tangible personal property and not mining or metallurgical activity.
- (d) Sale of consumable goods incorporated into or applied to real property is considered a retail sale and not construction contracting. Examples of consumable goods are lubricants, faucet washers, and air conditioning coolant, but not paint.
- (e) Installation or removal of tangible personal property which has independent functional utility is considered a retail activity.

Reg. 3-5-460.2. RETAIL SALES: TRADING STAMP COMPANY TRANSACTIONS:

A trading stamp transaction is defined as follows: The trading stamp company issues stamps to a vendor; the vendor then provides them to its customers; and the customer then exchanges the stamps for merchandise from the trading stamp company.

The exchange transaction for the merchandise shall be deemed a retail sale and the trading stamp company a retailer. All taxes imposed by this Chapter applicable to retail transactions are therefore applicable to such exchange transactions.

The rate of tax shall be the retail rate based upon the retail dollar value of the redeemed merchandise as expressed in the redemption dollar value per book of stamps or portion thereof. The tax imposition described herein is in lieu of any Privilege or Use Tax upon the business of issuing stamps, redeeming the same, or using or storing property redeemed.

Reg. 3-5-460.3. RETAIL SALES: MEMBERSHIP FEES OF RETAILERS:

Membership, admission, or other fees charged by limited access retailers are considered part of taxable gross income of the business activity of selling tangible personal property.

Reg. 3-5-460.4. RETAIL SALES: PROFESSIONAL SERVICES:

- (a) "Professional Services" refer to services rendered by such persons as doctors, lawyers, accountants, architects, etc. for their customers or clients where the services meet particular needs of a specific client and only apply in the factual context of the client and the final product has no retail value in itself. For example, opinion letters, workpapers, reports, etc. are not in a form which would be subject to retail sales to customers. However, transfer of items in a form which would be subject to retail sales (e.g., artwork, forms, manuals, etc.) would not be considered professional services. The issue is one of fact which must be resolved in each situation.
- (b) Creative ("idea") labor and design labor that do not result in tangible personal property that will be or can be sold are deemed professional services and, if charged separately and maintained separately in the taxpayer's books and records, are not includable in gross income.
- (c) "Professional services" shall be deemed to include those items of tangible personal property which are incidental to the services rendered, provided such tangible personal property is "inconsequential."
 - (1) Incidental transfers of tangible personal property shall be regarded as "inconsequential" if,
 - (A) The purchase price of the tangible personal property to the person rendering the professional services represents less than fifteen percent (15%) of the charge, billing, or statement rendered to the purchaser in connection with the transaction, and
 - (B) The tangible personal property transferred is not itself in a form which is subject to retail sale.
 - (2) In cases where the tangible personal property transferred is deemed inconsequential, the provider of the tangible personal property so transferred is deemed the ultimate consumer of such tangible personal property, and subject to all applicable taxes imposed by this Chapter upon such transfer.
- (d) Examples:
 - (1) The transfer of paper embodying the result or work product of the services rendered by an attorney or certified public accountant is regarded as inconsequential to the charges for professional services.
 - (2) An appraisal report issued by an appraiser, reflecting such appraiser's efforts to appraise real estate, is regarded inconsequential.
 - (3) Use of a hair care product on a client's hair by a barber or beautician in connection with performing professional services is usually inconsequential. On the other hand, if the barber or beautician supplies the customer with a bottle of the product for the client's use thereafter and without the professional's assistance,

the transfer of the bottle of hair care product is deemed not inconsequential.

- (4) If a mortician properly segregates his professional services from other taxable activities on his bill (invoice, contract), his gross income would include only the income derived from the sale of tangible personal property (casket, cards, flowers, etc.) and rental, leasing, or licensing of real and tangible personal property. His charges for professional services (embalming, cosmetic work, etc.) would not be includable in gross income.

 - (1) Is equal to or greater than twice (2 times) the value of the metallic content of the coin as of the date of transfer or acquisition; and

However, when the principal is not deemed to be a dealer, such sales are considered to be those of the merchant and are taxable to him.

Reg. 3-5-465.1. RETAIL SALES: REPAIR SERVICES:

- (a) Fair market value of parts and labor charges. The Tax Collector may examine the reporting of all transactions covered by this Section to determine if an "arms-length" price is charged for the parts and materials. The applicable tax may not be avoided by pricing a part, which ordinarily sells to the customer at \$10, at \$5 and including the difference as "service" or "labor". In the absence of satisfactory evidence supplied by the taxpayer as to industry or business practice, the Tax Collector may use the cost of the part or materials to the taxpayer marked up by a reasonable profit, to estimate the gross income subject to tax.
- (b) Notwithstanding Regulation 3-5-350.1(e),

- (1) In the case where the taxpayer does not normally and regularly sell items of tangible personal property apart from a repair transaction, the taxpayer may determine the sale price of the tangible personal property transferred by means of a "computed charge". The "computed charge" shall be the sum of the cost of the item of tangible personal property transferred, plus a "reasonable markup." The "reasonable markup" shall be that amount needed to achieve a representative retail price for which such items of tangible personal property are normally sold at retail by comparable businesses within the State (not under circumstances involving the combination of such sale with the providing of repair services). The taxpayer shall have the initial responsibility of determining such reasonable markup, and providing to the Tax Collector, if requested, the basis for his determination.
- (2) In the event that there is a disagreement between the Tax Collector and the taxpayer as to the proper determination of the "computed charges", the burden shall be upon the taxpayer to satisfy the Tax Collector, the Hearing Officer in the event of a hearing, or the court in any subsequent court action involving an assessment, of the validity of the taxpayer's method of determination of such "computed charges". The determination by the Tax Collector as to the proper "computed charge" shall be considered valid, and shall be sustained unless it is proven by the taxpayer that such determination is arbitrary and unreasonable.

Reg. 3-5-465.2. RETAIL SALES: WARRANTY, MAINTENANCE, AND SIMILAR SERVICE CONTRACTS:

- (a) Gross income from sales of warranty, maintenance, and service contracts is exempt from the tax imposed by Section 3-05-004-0460.
- (b) Transfers of tangible personal property in connection with a service, warranty, guaranty, or maintenance agreement between a vendor and a vendee shall be subject to tax under Section 3-05-004-0460 only to the extent of gross income received from separately itemized charges made for the items of property transferred.
- (c) The gross income derived from a maintenance insurance agreement, which agreement is entered into between the purchaser and any person other than the seller is not subject to tax imposed by Section 3-05-004-0460. If the provider of the maintenance insurance agreement pays for tangible personal property on behalf of the insured in the performance of the agreement, such sales are subject to all applicable taxes imposed by this Chapter.
- (d) Charges for tangible personal property provided under the terms of a warranty, maintenance, or service contract exempted under Section 3-05-004-0465 are subject to tax as retail sales.

- (c) Where a retailer imposes a charge for gift wrapping and the charge includes the container, paper, and other appropriate materials, the wrapping charge shall be considered a sale.
- (d) Charges for returnable containers, where the charges are imposed on the customer, are subject to tax at the time of the transaction. A credit may be taken for the amount of refund after such refund is made.
- (e) The sale of labels to a purchaser who affixes them to a primary container is a sale for resale and not taxable. Directional or instructional material included with products sold are considered to be part of the product and a sale for resale. If the applicant agrees to the terms and conditions of the license, the request shall be approved. Notwithstanding the foregoing, the City need not issue or renew a license if the applicant has previously had a license or permit revoked, or for any other reason permitted under Arizona law.

<u>3-08-001-0024</u>	DATE FOR COMPLIANCE WITH CERTAIN PROVISIONS

SECTION 3-08-001-0001 PURPOSE AND FINDINGS:

- A. Purpose. It is the purpose of this ordinance to regulate sexually oriented businesses in order to promote the health, safety, morals, and general welfare of the citizens of the City through reasonable and uniform regulations to encourage operators of sexually oriented businesses to see that such businesses are run in a manner consistent with the health, safety and welfare of their patrons and employees, as well as the citizens of the City. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.
- B. Findings. Based on evidence concerning the adverse secondary effects of adult uses on the community presented in hearings and in reports made available to the Council, and on findings incorporated in the cases of *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986), *Young v. American Mini Theatres*, 426 U.S. 50 (1976), and *Barnes v. Glen Theatre*,

Inc., 501 U.S. 560 (1991), and on studies in other communities including, but not limited to, Phoenix, Arizona; Minneapolis, Minnesota; Houston, Texas; Indianapolis, Indiana; Amarillo, Texas; Garden Grove, California; Los Angeles, California; Whittier, California; Austin, Texas; Seattle, Washington; Oklahoma City, Oklahoma; Cleveland, Ohio; and Beaumont, Texas; and also on findings from the Report of the Attorney General's Working Group On The Regulation Of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the Council finds:

1. Sexually oriented businesses lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled by the operators of the establishments. Further, there is presently no mechanism to make the owners of these establishments responsible for the activities that occur on their premises.
2. Certain employees of sexually oriented businesses defined in this ordinance as adult theatres and cabarets engage in higher incidence of certain types of illicit sexual behavior than employees of other establishments.
3. Sexual acts, including masturbation, and oral and anal sex, occur at sexually oriented businesses, especially those which provide private or semi-private booths or cubicles for viewing films, videos, or live sex shows.
4. Offering and providing such space encourages such activities, which creates unhealthy conditions.
5. Persons frequent certain adult theatres, adult arcades, and other sexually oriented businesses for the purpose of engaging in sex within the premises of such sexually oriented businesses.
6. At least 50 communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections and shigella infections.
7. Since 1981 and to the present, there has been an increasing cumulative number of reported cases of AIDS caused by the human immunodeficiency virus (HIV) in the United States -- 1,170 in 1982, 3,068 in 1983, with a peak of 78,164 ten years later in 1993, and a total of 700,979 through December 31, 1998.
8. As of June 1999, there have been 6,528 reported cases of AIDS and 4,188 reported cases of HIV in the State of Arizona.
9. Although the number of cases of syphilis in the United States reported annually has declined since 1990, the number of cases reported in Arizona has risen. Between 1997 and 1998, there was an increase of 40% in the number of cases of syphilis reported in Arizona, according to the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services.
10. After several years of decreases in reported cases of gonorrhea in the United States, the number of cases reported annually increased

from 326,564 in 1997 to 355,642 in 1998, according to the Centers for Disease Control and Prevention.

11. The surgeon general of the United States in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.
12. According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.
13. Sanitary conditions in some sexually oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.
14. Numerous studies and reports have determined that semen is found in the areas of sexually oriented businesses where persons view "adult" oriented films.
15. The findings noted in paragraphs number 1 through 14 raise substantial governmental concerns.
16. Sexually oriented businesses have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.
17. A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and the operators of the sexually oriented businesses. Further, such a licensing procedure will place a heretofore nonexistent incentive on the operators to see that the sexually oriented business is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually oriented business, fully in possession and control of the premises and activities occurring therein.
18. Removal of doors on adult booths and requiring sufficient lighting on premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in adult theatres.
19. Requiring licensees of sexually oriented businesses to keep information regarding current employees and certain past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects and by preventing minors from working in such establishments.
20. The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of the

sexually oriented business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually transmitted diseases.

21. It is desirable in the prevention of the spread of communicable diseases to obtain a limited amount of information regarding certain employees who may engage in the conduct which this ordinance is designed to prevent or who are likely to be witnesses to such activity.
22. The fact that an applicant for an adult use license has been convicted of a sexually related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this ordinance.
23. The barring of such individuals from the management of adult uses for a period of years serves as a deterrent to and prevents conduct which leads to the transmission of sexually transmitted diseases.
24. The general welfare, health, morals and safety of the citizens of the City will be promoted by the enactment of this ordinance.
